English and Americans Go To Help

Boston, Jan. 30. - The American board made public today a report from Missionary J. F. Clarke, of Samokov, Bulgaria, on relief work in Bulgaria, in which Mr. Clarke says that the official record of refugees is more than 23,000. Those best able to know say that companies from various villages murder without paying his bill. mountains, braving the cold and deep snow, will swell the number to 30,000. Of such a party, numbering 28, a woman and two children perished a month ago. Mr. Clarke says the destitution

of the refugees is very great. The Central Government is supplying bread or flour to those in need. Grand work has been done in the Black Sea region by the Society of Friends in England. American missionaries in Samokov have received funds from England and America.

The matter hung fire until the lieutenants, Mr. Tarte, Mr. Hackett and Mr. Pope, started on their tour of the eastern townships. On that night Mr. Monk called on Mr. Borden at the Windsor Hotel. Then the Dominion leader came face to face with the actual problem of how to keep his forces in this Province intact. It had been advertised that the touring party would be composed of five, the four already mentioned, and Mr. Monk, but Mr. Borden started out minus the nominvestigating the murder of Miss inal provincial leader.
