London, March 6-At a review of the Prussian Guards at Longchamps, the Emperor addressed the troops and thanked them fer the hereism, endurance and devotion display-

ed during the war.

[[A] Dresden journal says the French officers and privates, who are prisoners in Germany, may return at once to their homes at their own PARIS. March 6-The Official Journal ac-

knowledges that several battalions have retained their arms but only to prevent them falling into the hands of the Prussians.

It is reported that Favre has gone to Ver-

sailles to prepare the Palace for the reception of the General Assembly in anticipation of

their removal from Bordeaux.
LONDON, March 6 In the House of Lords, to-night, the Marquis of Salisbury attacked the foreign policy of the Government, showing that foreign powers were all contemptuous in their manner toward England. Prussia had declined England's aid in negotiating peace with France, and Russia had repudiated her obligations which were solemnly agreed to at the end of the Orimean war. These insults he placed in contrast with the guarantees which England was a party to. Therefrom he deduced the decay of her influence. He urged a re-organization of the army. To its weakreasonableness of the assault made on the Government's conduct on foreign affairs. He quoted a distinguished American officer who expressed great surprise at the complete state of preparation for war in which he found the British navy. The discussion ended by the adoption of an order for reprinting the text of guarantees given by England in Continental
