The feature of the Canadian Henley regatta at St. Catharines was the remarkable work of "Longboat" Taylor stroke. Charlie Riddy No. 3, Alex, Davidson No. 2, and Gordon Balfour bow, of the Toronto Argonaut junior four, and the after four in the junior eight.

These four men performed a feat unparalleled in rowing history when they rowed and won five races. The crew win the junior, intermediate, and senior fours championship, won an intermediate four heat, and the senior eights championship, won an intermediate four heat, and the senior eights championship, won an intermediate four heat, and the senior eights championship, defeating both Argo seniors and the Ottawa crew. The first day of the regata the junior eight won its championship. They had five. The magnificent showing of the Dons, who cleaned up four championships, was also a feature. The rowing champions follow:

Rochester, Aug. 12.—The American defender, Seneca, in an eight mile breeze today defeated the Canadian challenger Adele in the second race of the series for the Canada's cup. The Seneca was 5 minutes 16 seconds in front at the finish of the race. This makes two straight wins for the defender.

Rochester, Aug. 13.—The Canada's Cup remains in Rochester. The third race of the series between the Adele, the Royal Canadian Yacht Club's Toronto challenger, and the Seneca, of the Rochester Yacht Club was salled today and Seneca won, making the third straight win.

Today the wind was blowing from nine to ten miles at the start and grew stronger until it was twelve or thirder the received and later until it was twelve or thirder.

Rochester, Aug. 13.—The Canada's Cup remains in Rochester. The third race of the series between the Adele, the Royal Canadian Yacht Club's Toronto challenger, and the Seneca, of the Rochester Yacht Club was salled today and Seneca won, making the third straight win.

Today the wind was blowing from nine to ten miles at the start and grew stronger until it was 20 miles.

straight win.

Today the wind was blowing from nine to ten miles at the start and grew stronger until it was twelve or thirteen and later until it was 20 miles, with 25 mile gale at the finish. Adele did not attempt to finish, but left the course after seeing the puff of the gun denoting that Seneca had won. Adele sailed straight for her moorings.

News was blought by the schools were that the Japanese sealing fleet in Bering sea this season will be the largest on record. There were five Japanese sealing schooners sent to this coast and three were spoken by the Vera, one in command of Capt Rither course after seeing the puff of the gun denoting that Seneca had won. Adele sailed straight for her moorings.

These schooners had each taken from 300 to 350 skins off this coast. They reported, when spoken

Borrowed Boats at St. Kilts.

The Winnipeg and Ottawa crews rowed in borrowed boats at the Cana-dian Henley regatta. The railways asked outrageous rates from Winnipeg and the Ottawa boats were left at Prescott, where the captain of a lake liner refused to let them be placed aboard his boat. The Canadian As-sociation of Amateur Oarsmen will take this matter up with the railway

CHICAGO & ALTON DEAL. Efforts to Extract Information From Harriman and Kuhn.

to which the government demands answer from Mr. Harriman and Mr. Kuhn relate to the purchase of, the controlling interest in the Chicago and Alton and the Illinois Central by the Union Pacific. In 1904 the Union Pacific purchased 103,431 shares of Alton stock through Kuhn, Loeb & Co. at 188½. The stock was deposited with the bankers with the under-standing that it was to be sold to the Union Pacific at a price to be made

### STRIKE SETTLED.

Los Angeles, Aug. 12.—The boiler-makers of the Southern Pacific, were jubilant today with the probably happy jubilant today with the probably happy ending of a threatened general strike on the Harriman lines. At a conference today between a committee of boilermakers and Patrick Sheedy, local superintendent of motive power, it was agreed that all the men should be taken back, including, the discharged boilermakers and helpers. The conference today followed the resignation of Foreman Carter, of the local shops, whose removal was demanded because of alleged discrimination against union men, and on whose account five hunmen, and on whose account five hundred men from El Paso, Tex., to Portland, Ore., are out on strike. It is expected that the agreement will be ratipected that the agreement will be rati-fied by both sides and that the men will return to work tomorrow all over the district. Carter resigned after the
