London, May 16.—Hon. P. C. Larkin, Canadian High Commissioner, returned yesterday from his visit to France and Flanders, whether in the name of Canadian representative of the War Graves Commission during the visit to the soldiers' graves by Their Majesties King George and Queen Mary.

At Etaples the Canadian High Commissioner inspected 1,120 Canadian graves of a total of 12,000. Here and elsewhere he found the graves in beautiful order.

## SALMON ANGLING LEASES SOLD

The Two Run for Five Year—Bought by New Workers.

CAMPBELLTON, May 17.—Two year salmon angling leases were sold at noon today at public auction. The leases were for fishing privileges only and were the only two five-year leases which were not sold on March 22.

The Rafting Ground Reserve was sold at the upset price of \$100 to Sigmund M. Lehman, New York, while the Patapedia River, southwest bank from its mouth to the Quebec line was sold to Edward R. Hewitt, New York, for \$155, the upset price being \$50.

Mr. Hewitt also holds the Quebec rights on this stream. No bids were made for the twelve ten-year leases which remained unsold at the conclusion of the March sale.

The leases sold today will expire on March 1, 1927. The prices bid for these annual payments for the leases.

ROYAL BANK BRANCH IN VANCOUVER ROBBED. Vancouver, B. C., May 16.—The Grand View Branch of the Royal Bank, Napier Street and Commercial Drive, was held up by three armed men at noon yesterday and robbed of \$1,000 or \$1,500 in cash.

The men escaped in an automobile. Mr. Larkin said that Marshal Haig expressed the opinion that Vimy was the best site possible for the Canadian memorial.

King's personal suggestion that the age of every soldier's interest in France and Flanders would be added to the inscription, thus ensuring that future generations would realize that lad sixteen years of age and grizzled men of more than fifty years of age equally had made the supreme sacrifice.

On the arrival of Mr. Larkin at Vimy he was met by Mr. and Mrs. Rudyard Kipling, who drove him through the northern battlefields area.

RESUMED OPERATIONS. The Shives Shingle mill resumed operations Friday, the sawyers going back at the rate offered.

NO FOUNDATION FOR REPORTS. Lumber Companies Not to Amalgamate, but Loan is Being Negotiated.

There is nothing in the report of amalgamation of lumber concerns here. The facts are that American interests in a large lumber concern are negotiating a loan to pull business out of the hole the recent slump in lumber has placed it in.

A large trust company has had, for the past week or two, cruisers going through the timber limits to ascertain their value to secure some loan.

WORK COMMENCED. The work on the Arran Street water and sewer has been started at the Prince William Street end.

OBITUARY. Mrs. William LeBlanc. There passed away at New Mills, on May 17, a highly respected citizen in the person of Mrs. William LeBlanc, at the age of sixty-seven years and eight months. Funeral was held on Tuesday morning at Maple Green.

Men Have Received No Pay for Some Time—No Funds to Pay Wages. St. John's, Nfld., May 16.—No trains were operated on the Newfoundland railway system today. As a result of the Reid-Newfoundland Company's notice to its employees yesterday that failure of the colonial government to pay the company sums which it claimed were due under its contract had left it without funds to pay wages due no train crews reported for work today.

Among the trains cancelled was the tri-weekly express connecting with mail and passenger steamers for United States and Canadian ports.

The Government considered the situation at an all-day meeting. It is expected that after further debate on the disputed contract in legislature tomorrow some definite action will be taken to bring about resumption of traffic.
