CANADA'S HIGH-CLASS PIANOS.

A HIGH AUTHORITY.

C. S. JEFFREY, Esq., Organist and Composer to Her Majesty's Chapel Royal, writes:

"For beauty of tone and excellence of mechanism and workmanship, I consider the Mason & Risch Pianos of high-class production, and think your firm worthy to rank among the first manufacturers of the world."

C. S. JEFFREY, St. James' Palace.

Messrs. Mason & Risch invite all visitors to Toronto to call at their Warerooms, 32 King-st. W.

And inspect their Large and Varied Stock of Pianos and Organs. They make no display at the Toronto Exhibition, but are showing at their rooms the most beautiful assortment of Pianos ever gathered under one roof in Canada, some of the finest facsimiles of the instruments that attracted such general admiration in London, England, last year.

Away from the noise and bustle of the Fair, all lovers of what is good and genuine in Music and Art will have an opportunity of hearing and critically examining that grandeur, richness, purity and sympathetic tone-quality which has their perfection of mechanism placed.
