For Disobeying the Injunction of the Court in the Hospital Matter—The Patients Must Be kemoved.

Mr. Winchester yesterday made an order appointing Charles Ritchie, Q.C., the third valuator in the matter of the renewal of the leases of the King-street property running from York-street eastward. Part of the property belongs to the Baldwin estate and part to Mrs. Ross.

Mr. Justice Falconbridge heard argument of a motion to quash a local option bylaw passed by the municipality of Keewatin, and reserved judgment.

The motion for a writ of sequestration in the action of C. J. Smith against the City of Toronto came up before the same learned judge yesterday. Mr. Charles Moss appeared for the plaintiff, and Mr. C. Robinson, Q.C., for the defendants. The mayor was present in person, and made a most humble apology for disobeying the injunction restraining the city from using the old small pox hospital as an isolation hospital. His Worship explained that he had no intention of disobeying the injunction, but that he was waited upon by a deputation of ladies and could not refuse their request to have some cases removed to the hospital. The court accepted the apology, and dismissed the application with costs to be paid by the defendants. No more patients are to be piaced in the hospital before the trial of the action without the consent of the court, and the patients now there are to be removed as soon as possible.

The action of Scadding v. Rogers was before Mr. Justice Ferguson yesterday. The action is to restrain the defendant from erecting in Church-street next to the plaintiff's residence a wall which will exclude an ancient light. Full particulars appeared in The World when the writ was issued.

The motion in re Metcalf, in which the father asks for possession of his seven months old infant, came up before Mr. Justice Falconbridge, but was enlarged till Thursday. The mother at present has the infant and the learned judge remarked that it would be most peculiar circumstances which would induce him to take it from her.

Mr. Justice Ferguson dismissed the action of Masson v. Town of Oshawa to compel the payment of a bonus of \$2000 granted by the town when the company removed there. The defence was that the company had not complied with its promises.

The first part consisted of Stainer's centata "Daughter of Jairus," the solos best medicine I ever tried for coughs and taken by Mrs. Atkinson, Mrs. Hick, Misses Hutchison and Abbott and Messrs. R. Moon, R. Persse and E. C. Davies. Praise is due the choir for the care taken in the preparation of the work, the numbers in which were rendered in first-class style and ability. The second part consisted of sacred selections, all well rendered, but especially or "With Verdure (Clad" (Creation) by Miss Nellie E. Abbott, whose compass and flexibility of voice were a revelation. She certainly scored one of the greatest successes this season in the West End. Miss Hutchison, who has a particularly sweet voice, was heard to great advantage in several numbers, principally in the trio "On Thee each living soul awaits." Mr. A. L. E. Davis, in "Thus saith the Lord" (Messiah), showed what can be done by practice, his execution being admirable. The organ soles by Mr. Phillips were listened to with much the organist of the church, for the success of the concert, the result of which will be an addition of \$40 to the organ fund. The concert closed with "God save the Queen."

Your would induce me to refer to it at all. Your reports of the matter have been unformely fair; but I cannot say so much of one other paper in the city, which yesterday attributed to me statements which I never made. It is the earnest desire of Mrs. Clendenan's friends to keep out of print in this distressing matter, and I regard it as anything but fair for a reporter who was kindly received to twist things into such shape as the paper aforementioned worked up. I take it for grant-sd that the statements attributed to Mr. James Beaty are entitled to a like amount of credibility.
