Useful in Camp.—Explorers, surveyors

prospectors and hunters will find Dr.

Thomas, Eclectic Oil very useful in camp.

When the feet and legs are wet and cold

it is well to rub them freely with the Oil

and the result will be the prevention of

pains in the muscles, and should a cut,

or contusion, or sprain be sustained,

nothing could be better as a dressing or

lotion.

Cornwall Standard.—A merchant in

Renfrew advertises in the local papers

that he will sell the same iron bed that

Eaton's advertise at \$6.10. His price,

delivered and set up, will be \$6.25.

Farmers who call for it can have it for

\$6.15, and they get it the same day, no

writing, postage, uncertainty or delay.

It is quite possible that the same can be

procured in other towns, but the local

dealers don't advertise the fact enough.

LET YOUR DOLLARS MARCH WITH

DEMOCRACY.

The Lady With The Lamp

There is in France a young English V. A. D. who serves King and country by trimming between two hundred and three hundred lamps every day. If any one has ever attempted to keep one lamp in order that person will not envy the V. A. D. Neither will the fine grade of patriotism underlying the lamp trimming be overlooked. The work is performed in a cold, dark cellar, and the worker is alone much of the time; put the thing that keeps her steadily and cheerfully at work is the fact that every lamp will be needed at night in the hospital to which the cellar belongs. It happens that this particular hospital is one established in an old French Chateau, picturesque and full of charm, historically, but entailing a vast amount of extremely hard work because chateau and monasteries were not constructed, centuries ago, with an eye to perfect sanitary arrangements. Highly cultured Englishmen, over draft age or physically unfit, count this difficult work no hardship. They have become expert stretcher-bearers have driven ambulances under fire and do countless things that are much more difficult than similar work in English Hospitals in France.

Millers Worm Powders are pleasant medicine for worminfested children, and they will take it without objection. When directions are followed it will not injure the most delicate child, as there is nothing of an injurious nature in its composition. They will speedily rid a child of worms and restore the health of the little sufferers whose vitality has become impaired by the attacks of these internal pests.

The City of Jerusalem

How few of us have any conception of the city of Jerusalem as it is to-day. The best description is that of Lawrence Hutton:—Jerusalem is unique as a city in which everything is serious and solemn and severe. It has no clubs, no bar-rooms, no beer-gardens, no concert halls, no theatres, no lecture rooms, no places of amusement of any kind, no street bands, no wandering minstrels, no wealth or upper classes, no mayor, no aldermen, no elections, no newspapers, no printing presses, no book stores, except one—outside the walls for the sale of Bibles, no cheerfulness, no life. No one sings, no one dances, no one laughs in Jerusalem; even the children do not play.

Victory Bond Notes

Invest your money in your country: buy Victory Bonds.
So good a cause should command your good money.

Remember you are not giving the Government your money, you are lending it.

Possession of Victory Bonds is an evidence of patriotism and of good business sense.

The safest thing in Canada is a Victory Bond.

1917 Victory Bonds helped to build 3,000 airplanes in Canada.

Reconstruction will cost money which the Victory Loan will provide.

When the soldier stops fighting he does not at once become a producer. Buy Victory Bonds and keep the wheels of Canadian industry humming.

Canada must bear her own financial burdens: the Victory Loan will help her to do so.

Victory Bond buyers help Canada and help themselves.

5½ per cent. is a high rate of interest on such a sound investment.

A Victory Bond may save a soldier's life.

Clear The Decks!

Get ready for action!
Forget each attraction
That leads you away from your part!
What part'll you have shown
In this VICTORY LOAN?
Will you back it with all of your heart?

Canadians fighting
Are daily fighting
Their Allies with proof of their skill!
The foe they're pursuing
How much are YOU doing
To give the mad Kaiser his fill?

You know of a way
You can help win the fray—
Quite clearly this way has been shown.

Canadians all!
Arise at the call
AND CARRY THIS VICTORY LOAN!

—William F. Kirk.
