## CURES FOR THE UNCURED.

### Holloway's Ointment.

AN EXTRAORDINARY CURE  
OF SCROFULA OR KING'S EVIL.  
Extract of a Letter from Mr. J. H. Alliday, 209,  
High Street, Cheltenham dated the  
22nd of January, 1850.

To Professor HOLLOWAY.  
SIR,—My eldest son, when about three  
years of age, was afflicted with a Glandular  
swelling in the neck, which after a short time  
broke out into an Ulcer. An eminent medical  
man pronounced it as a very bad case of Scro-  
fula, and prescribed for a considerable time  
without effect. The disease then for four  
years went on gradually increasing in viru-  
lence, when besides the ulcer in the neck, an-  
other formed below the left knee, and a third  
under the eye, besides seven others on the  
left arm with a tumour between the eyes,  
which was expected to break. During the  
whole of the time my suffering boy had received  
the constant advice of the most celebrated  
medical Gentlemen at Cheltenham, besides  
being for several months at the General Hos-  
pital, where one of the surgeons said that he  
would amputate the left arm, but that the  
blood was so impure, that if that limb were  
taken off it would be then even impossible to  
subdue the disease. In this desperate state I  
determined to give your Pills and Ointment  
a trial, and after two months perseverance in  
their use, the tumor gradually began to  
disappear, and the discharge from all the ul-  
cers perceptibly decreased, and at the expira-  
tion of eight months they were perfectly healed  
and the boy thoroughly restored to the bless-  
ings of health, to the astonishment of a large  
circle of acquaintances, who could testify to  
the truth of this miraculous case. Three  
years have now elapsed without any recur-  
rence of the malady, and this boy is now as  
healthy as heart can wish. Under these cir-  
cumstances I consider that I should be truly  
ungrateful were I not to make you acquainted  
with this wonderful cure, effected by your  
medicines after every other means had failed.  
(Signed) J. H. ALLIDAY.  
CURE OF ACUTE RHEUMATISM OF FOUR  
YEARS' STANDING.  
Extract of a Letter from Mr. John Pitt, Dudley,  
15th Jan., 1850.

To Professor HOLLOWAY.  
SIR,—It is with the greatest pleasure that  
I write to thank you for the benefit I have  
received from your Pills and Ointment, which  
have completely cured me of the Rheumatism,  
under which I suffered for this last four years,  
at times I was so bad as hardly to be able to  
walk. I had tried every kind of medicine that  
was recommended without receiving any ben-  
efit. At last I thought I would give your med-  
icines a trial, and purchased from Mr. Hollin-  
Chemist, of this Town, two Boxes of Pills,  
and two of Ointment, and in three weeks,  
through them and the blessing of God, I was  
restored to health and am now as well able to  
walk as I was in my life. I am well & con-  
vinced in this parish, having been sixty-five years  
in it, with an exception of ten years I served  
in the 24th Regiment of Foot.

(Signed) JOHN PITT.  
CURE OF A BAD LEG OF SIXTY  
YEARS' STANDING.

Mr. Barker, of No. 5, Graham's Place, Drypool  
near Hull, had ulcers on his leg from the age of  
eighteen until upwards of eighty, and although  
for many years he had sought the first advice, in  
the country, nothing was found to cure them.  
He very often suffered most excruciating pain for  
long periods together, which incapacitated him  
from attending to his business. He had given up  
all hopes of getting a cure, when at last he was  
persuaded to try Holloway's Pills and Ointment,  
which he did, and however wonderful it may ap-  
pear, the leg was thoroughly healed by their  
means, and by continuing to use the Pills alone  
after his leg was well, he has become in health  
so hale and hearty as now to be more active than  
most men of fifty.

N.B.—The truth of this extraordinary state-  
ment can be vouched for by Mr. J. C. Barker, at  
22 Market Place Hull, February 20th, 1850.

## CURE OF A DESPERATE CASE OF RING- WORM OF SIX YEARS' STANDING.

Lina, 13th of November, 1849.  
One of the most eminent Surgeons in Lima (the  
Capital of Peru) had a child covered with Ring-  
worm for more than 6 years; in vain he exhausted  
all his art in his endeavours to effect a cure. Not  
succeeding, he consulted among his brethren, the  
most celebrated medical practitioners of the City,  
but nothing was found to do the child service.  
When he was persuaded by Mr. Joseph P. Hays  
the English Chemist and Druggist, residing at No.  
74, Calle de Potosi, to try Holloway's Pills and  
Ointment, which was done, and after using a  
large Pys of the Ointment, with a proportion of  
the Pills, the child was radically cured, to the  
surprise of the whole medical profession. The  
same of the parent, from motives of delicacy, in  
wagined.

The Pills should be used conjointly with the  
Ointment in most of the following cases:—  
Bad Legs, Bad Breasts, Burns, Eruptions,  
Bite of Insects, and Sand Flies, Fistulas,  
Coco-Bay, Gout, Glandular Swellings, Lumbago,  
Piles, Rheumatism, Scalds, Sore nipples,  
Chin-rot, Chiriblatia, Chapped hands,  
Corns (soft), Cancers, Contracted & Stiff joints,  
Elephantiasis, Sore throats, Skin diseases,  
"Curry," Sore heads, Typhoids, Ulcers, wounds,  
Yaws.

Sold by the Proprietor, 244, Strand, (near Tem-  
ple Bar) London, and by all respectable Vendors  
of Patent Medicines throughout the Civilized  
World, in Pots and Boxes, at 1s. 1-2d. 4s. 6d.  
11s. 2s., and 2s. 6d. each. There is a very consid-  
erable saving in taking the larger sizes.

N.B.—Directions for the guidance of Patients are  
affixed to each Pot or Box.

ODELL & TURNER, St. Andrews.  
Wholesale Agents for Charlotte County.  
CAUTION!—None are Genuine unless  
the words "Holloway's Pills and Ointment,"  
London, are engraved on the Government  
Stamp, pasted on every Pot and Box; with  
the same words woven in the water-mark  
of the Books of directions wrapped round  
the medicines.

Should unprincipled Vendors recommend  
parties asking for Holloway's Pills and  
Ointment not to buy them, but to take  
something else in their stead, they do so  
only for the purpose of getting a greater  
profit by what they wish them to purchase.
