Passing to the Right

[Middleton Outlook]

The new Brunswick legislation adopted "passing to the right" of highways of that Province, of every state of the United States, most of the Provinces of Canada, allowing this plan it is only a matter of time until all of Canada will adopt. Now it becomes a competition between British Columbia and Nova Scotia see which comes in at the tail of the procession.

J. E. Snow's shipments from by: 245 boxes of haddies, 300 stripped cod, 12 boxes fillets, 20 lbs. pickled cod, 11,576 lbs. pickled hake, 4,000 lbs. pickled cusk, 20 fish skins.

Vast Issues Depend Upon the Welfare of Our Men!

Cheer Up and Thank God for the Y.M.C.A.

TRY to picture yourself in the muddy cold trenches after exciting days and long nights of mortal danger and intense nervous strain. Rushing "whiz-bangs" and screaming "coal boxes" are no respecters of persons. You are hit! But despite shock and pain you still can face the long weary trudge back to dressing station. Weary, overwrought and depressed, you are prey to wild imaginings of that other coming ordeal with the surgeon. There are other "walking wounded," too! You must wait, wait, wait. And then—

Up comes a cheery Y.M.C.A. man, the ever-present "big brother" to the soldier, with words of manly encouragement. Close beside the dressing station the good generous folks at home have enabled him to set up a canteen. He hands you biscuits, and chocolate or coffee.

Canada-Wide Appeal

"In thousands of cases," writes an officer, "it was that first hot cup of coffee that dragged the man back to life and sanity." The tremendous helpfulness of the Y.M.C.A. as an aid to the "morale," or fighting spirit, of the soldiers is everywhere praised. No wonder the Germans make every effort to smash the Y.M.C.A. huts out of existence.

The Y.M.C.A. is everywhere. You first met the helpful, manly Y.M.C.A. worker in camp, then on train and boat, at camp in England and in France, close to the firing line. Often he risks his life to reach you in the trenches. He has won the warmest praise from military authorities, statesmen—the King!

Have you a precious boy at the front? You cannot be "over there" to guide him away from fierce temptations of trial. You cannot comfort him in his supreme hour of camp and city. Your parcels to him are necessarily few. But the Y.M.C.A., thank God, is "over there," going where you cannot go—doing the very things you long to do—doing it for you and for him.

Will you help? This vast organization of helpfulness needs at least \$2,250,000 from Canada for 1918. For your boy's sake be GENEROUS!!

Boys!

Here's your chance to do a fine stroke in a big war! Help the Y.M.C.A. to help your big brothers overseas by joining in the

"Earn and Give Campaign"

Six thousand Canadian older boys are invited to earn and give at least Ten Dollars (\$10) to the Red Triangle Fund. That means \$60,000 in all! Splendid! Five thousand dollars will be used for boys' work in India and China; another \$5,000 for the National Boys' Work of Canada, and \$50,000 to help big brothers in Khaki. Ask your local Y.M.C.A. representative for information and pledge card. When you have subscribed one or more units of Ten Dollars, you will receive a beautifully engraved certificate.

The Practical Economy of Good Paint

Good paint is never an expense, but a saving. By its use you save your buildings from a steady deterioration in value.

Economy in painting demands the use of Quality Paint—Martin-Senour "100% Pure" Paint—the paint that protects and preserves.

The use of cheap materials is a waste of money—a waste of time.

MARTIN-SENOUR

"100% PURE" PAINT

wears longest, covers the greatest surface (900 sq. feet per gallon) and because of its even texture, takes least time and is easiest to apply. It is absolutely guaranteed—"100% Pure" White Lead, Zinc Oxide and highest quality Linseed Oil. It is admittedly the most economical paint on the market.

Take no chances. Make your investments secure by applying on your buildings, inside and out, protecting coats of Martin-Senour "100% Pure" Paint.

Ask for "Farmer's Color Set" and "Town and Country Homes". Just what you'll need in planning your painting.
