A number of members of St. George Lodge, I.O.O.F., went to Bear River last Thursday evening to pay a fraternal visit to Friendship Lodge, and at the same time meet Grand Master Wood, who was paying an official visit to that body.

The third degree was exemplified by the degree team of Friendship Lodge and the grand master said he doubted if any lodge in Canada could do the work any better. He had seen it exemplified many times but no team could begin to approach that of Friendship Lodge. He gave a fine address on the work of Oddfellowship to the Odd-fellows, and later in the banquet hall, he addressed the Rebekahs who had provided the banquet. It is hoped that some time in the near future the grand master will visit Digby.
