The remedy lies within the home discipline rests the strength of the leadership of President Coolidge home, for upon the foundation of the State."

LEARNING TO LIVE.

Manchester Guardian: Education is preparation not for industry, but for life; it is not the mere acquisition of a sufficient basis of knowledge, skill, and habit to enable a boy to enter on a trade; it is the development of all the resources of a boy's character and intelligence so that he may make the most of his life, of all its duties and opportunities, of its leisure as well as of its work.

PIRATES OF CATHAY

Hong Kong Press: Whenever piracies have occurred on board vessels it has always been in co-operation with gangs on shore, and until the Government of the neighboring Chinese territory, or the foreign Powers, takes such action as will put a stop. to the uses of the territory by gangs of pirates who find a permanent home there we shall probably never hear not pay Meanwhile it would probably serve as a stimulus if the celebration in New York marks a re- 1892. to-day's official opening.'

Over 3,000 settlers left Liverpool Over 3,000 settlers left Liverpool for Canada on April 24th. Thirteen hundred of these sailed on the Canadian Pacific liner "Montcalm," including a party of 200 skilled workers from Manchester, 38 belonging to engineering trades, 40 to building trades and 42 farm hands. Eighty skilled workers from Leeds and a party of organization from Rev. and a party of engineers from Barrow-in-Furness were also on board.

A total of 40,000,000 salmon trout eggs has been collected during the last season by the Department of Marine and F. sheries in Lake Huron, Georgian Bay and Lake Superior. The total number obtained compares favorably with the average collections of recent years and is sufficient to fill all the hatcheries on the Great Lakes engaged in the propagation of salmon

Lazier, herself a descendant of the Loyalists, left Belleville recently on horseback to ride to Washington alone, a distance of 600 miles. Elaborate arrangements for the celebrations are eing made and it is expected that thousands of visitors will attend.

by Betty Thornley, internationall known writer associated with just been added to the series of artistic pamphlets published by the Canadian Pacific Railway. It describes the Ancient Capital and its environs, is illustrated by many striking photographs and bound in a cover which reproduces in natural colors the pattern of cloth called catalogne, woven by Quebec habitant

That the Indian village of Hochelaga, which stood on the site of the present city of Montreal, was a place of about fifty wooden houses having a population of some 4,000 souls when Jacques Cartier sailed up the St. Lawrence, was the assersouls when Jacques Cartier sailed up the St. Lawrence, was the assertion made by Dr. W. D. Lighthall before the Antiquarian and Numismatic Society of Montreal recently. Dr. Lighthall was able to give the boundaries of the village and described it as resembling the home of Cedric the Saxon, in "Ivanhoe."

Apropos of the recent "Save the Forest Week," E. W. Beatty, President of the Canadian Pacific Railway, stated: "A week's concentration on saving the forests of Canadian Pacific Railway, stated: "A week's concentration on saving the forests of Canadian Railway, stated to the saving the forests of Canadian Railway, stated to the saving the forests of Canadian Railway, stated to the saving the sa ada is we'l worth while—much better to make it a 'Forest Saving Year' and, if the forest resources of this country are to be conserved to adequately avail the greater Canada of a few years hence it must be a 'Forest Saving Generation.' Forest wastage is to-day tragically too great and we Canadians must pay and are paying for the loss."
