

petition to all matriculated students of the University in the session 1865-66. Also from another quarter, a prize of \$30 for the best essay on Metastasis considered in relation to rheumatism, pyæmia, and cancer, open to all matriculated medical students of the University in the session 1865-66. The essays are to be given in to the Registrar not later than the first Monday of November next, authors' names to be given in sealed envelopes attached to their respective essays. The Principal expressed the hope that at the Convocation at the close of the session some additional prizes of the same kind would be offered for competition in the Faculties of Arts and Theology.

After the benediction by the Principal the meeting dispersed.
