J. H. THOMAS & BROS.

#### TILDEN'S SEEDLING TOMATO.

THE MOST PERFECT TOMATO GROWN.

IS a distinct variety, and highly recommended by the best authorities is the country. Distribution of Seed.—The publishers of The Prairie Parmer have purchased of Mr. Tilden, the originator, the entire to of this seed at a very high price to distribute to the subscribers to The Prairie Farmer. The distribution will be as follows:—

One package to every present subscriber who has renewed or does renew for 1863, and sends 5 cents to pay for jostage and putting un.

does renew for 1869, and senus o cease to 1-7, and 19 putting up.

One package to every new subscriber who sends 5 cents in addition to subscription, for postage and putting up.

Each pack, go w 1 contain seed enough to raise from 75 to 100 plants. Fifteen plants, well cultivated, will produce sufficient to supply an ordinary family.

Inckages of seed will be sent to any address in Canada, post-pold, on the receipt of 60 cents.

Sample copies of The France Farmer sent FREE to any who desire them.

desire them.

Annual subscription to the Weekly Prairie Farmer, \$2.00.—

Canada subscription to the Weekly Prairie Farmer, \$2.00.—

Canada subscription will send 20 cents extra for Am. postage.

Thos. Mechan, Philadelphia, says of the "Tilden":—"I have tested them in various ways, satisfying ourselves that they are the best tomato out."

Paschal Morris of Philadelphia, says.—"I consider it a better variety than Las yet appeared in this market."

Hovey & Co., of Boston, 8 vs.—"It promises in a greater degree more excellence than any other variety we have grown. Carries well and handles well for market."

The American Agriculturist says.—"This comparatively new tomato is held in high estimation by the cultivators about Philadelphia."

makan Periam, of Chicago, mys —"I consider this tomato to

Jonathan Periam, of Chicago, rays —"I consider this tomato to be the best I have grown."

N. J. Colman, of the Rural World:—"They are the largest and smoothest tomato we ever saw, and their quality even surrassed their approximate."

v3-5—11. Address, EMERY & CO., Chicago, Ills.

## Government Immigration Office.

CERROR, 25th January, 1898

Cit.—The Honourable the Minister of Agriculture and Immigration, having authorized the publication, by this department, of an occasional paper, to be called the "Cuada Enterature," which will be devoted exclusively to the encouragement of Immuration and to the diffusion of accurate and useful information concerning canada abroad, I beg leave to bring under your notice the advantages this sheet will offer as an advertising medium to landowners and others, having properties for sole or lease. As information of this kind is eagerly rought for, and much valued by every intelligent emigrant, means will thus be afforded of placing the intending purchaseror lesses in Great Britain in direct communication with the property holder here.

The Honourable the Minister of Agriculture and Immigration has also authorized the opening of an Information Office in Liverpool, under the management of Mr Wm. Dixon, a gentleman well acquainted with the distribution of this paper throughout the United Kingdom, and in Dringing the same prominently under the notice of the cinigrant.

Kunjoum, and in bringing the same prominently under the notice of the cringrant.

The first number will appear in the course of next month, the second in April, bringing down the information to the latest period, to be followed up monthly or quarterly, as may be required.

As the space it is intended to allot for advertizing purposes will be himsed, and in view of the large circulation the sheet will obtain for it will be distributed gratuitously the prices of advertisements cannot be made lower than the following.—

For each advertisement not exceeding 10 Lies, \$2 the insertion, and 8 cents for every extra line.

For a square of 22 lines, to stand for a twelvementh, \$6. In all cases, advertisements must be prepaid, and an early transmission is recommended.

The undersigned will gladly receive communications, of a practi-

mission is recommended
The undersigned will gladly receive communications, of a practical character, for publication, leading on the subject of Emigration, such as letters from actual settlers, showing their progress in the country, and pointing out the jecullar advantages of their district in particular, &c. It is decarable that they should be written as concisely as possible, and be free from anything like exaggeration.

I am, Sir,
Your obedient servant,
A C. BUCHANAN,
v34—2t Chuf Agent.
