JOHN KAY.

Pickering College!

TO PERSONS WHO WISH TO SECURE for their sons and daughters a thorough and practical education and to young men and young women who purpose preparing for Second and Third-Class Teachers' Examinations, or for Matriculation into the University, or into the Law Society, or into the College of Physicians and Surgeons, this institution offers peculiar advantages. Its special features are:—

1st. Although endowed and maintained by the Society of Friends, it is open to young people of both sexes of all denominations. All students are expected to attend some place of worship, but it may be that which they or their parents or guardians select.

2nd. It aims to give a first-rate education at the lowest possible cost. The fees are only \$150 per annum, a proportionate amount for a shorter time; and they include tuition, board, washing, fuel, light, etc.,—every necessary expense except text-books.

3rd. Its curriculum and studies are precisely the same as in our best High Schools and Collegiate Institutes. But students attending this College have many advantages not to be obtained in most High Schools; such as board in College building, a reading room well supplied with the best current news and literature, comfortable study rooms, parlours, bedrooms, gymnasiums, playgrounds, etc.

4th. It is aimed to make the Scientific Department as thorough as possible. A very complete chemical apparatus has been purchased in Philadelphia, suitable for Second Class and Intermediate work. Every student in the department will be required to become a practical experimenter. Mr. Davis, the Science Master, is a Gold Medallist in Natural Sciences of the University of Toronto, and a thoroughly competent instructor.

5th. A Commercial Form is established in which students are thoroughly taught Commercial Arithmetic, Composition and Book-keeping. Any student in the Commercial Form may take any other subject in addition.

6th. Students who do not wish to prepare for any examination may take an optional course, and devote their time to special subjects.

7th. The means afforded for mental recreation are ample. Besides the reading room, there is a Literary Society which meets once a week, and a course of lectures by leading educationists and others will be delivered during the winter.

8th. The College building is so arranged that the sexes are separate except during recitations and in the dining-room. Boys and young men are under the charge of the House-master. Young ladies are under the charge of the Governess.

9th. The Committee and Officers hope to maintain a good moral tone in the school. A Bible class is held every Sunday afternoon. On Sunday evenings lectures on morals, character, and conduct are delivered by the Principal.

The management hope by dealing fairly and carrying out faithfully all that is undertaken, to secure a good class of students. None but those willing to do work for its own sake are invited to attend. The idle and vicious, after a fair trial, will be got rid of. There are no prizes, scholarships, or rewards; no marking system or competitive examinations.

OUR S. S. PAPERS.

The SABBATH SCHOOL PRESBYTERIAN (monthly) for 1880 will be better adapted for senior scholars. In its columns will be found more frequent reference to the mission work of our own Church; and efforts will be made to awaken and keep alive the interest of our young readers in the great work of spreading the saving truths of the Gospel into all lands.

GOLDEN HOURS will be continued as a monthly. It is already quite a favourite; and no efforts will be spared to increase its popularity and usefulness.

I have been asked to get out a paper at a lower price, which would be better adapted for INFANT CLASSES. EARLY DAYS will be published fortnightly for 1880 in response to this request. It will be beautifully illustrated; and cannot fail to be in great demand amongst the young folks.

Specimen copies of each sent free on application.

The Rev. WM. INGLIS has kindly consented to take charge of these papers, which will be a guarantee that they may be safely placed in the hands of the "Children of the Church."

REDUCTION IN PRICES FOR 1880.

THE

CANADA PRESBYTERIAN

FOR THE COMING YEAR,

EDITED BY REV. WILLIAM INGLIS,

Will be Better Value to our Readers than ever before.

All Departments which have given so much satisfaction in the past are to be continued; and, under the new Editorial Management, fresh features will be introduced, calculated to increase the interest and render the paper more than ever necessary to every Presbyterian family in the Dominion. Arrangements are already made to secure early ecclesiastical news items from the Maritime Provinces; and communications will be received, at regular intervals, from St. John, N.B., Halifax, N.S., and Charlottetown, P.E.I. The interests of our Church in the Prairie Province will be looked after by an able correspondent at Winnipeg, Man.; and wide-awake writers at widely separated points, such as New York, Edinburgh, Belfast, and in India, Formosa, and the South Sea Islands, will favour our readers with interesting letters. A new feature of the paper will be a MISSIONARY DEPARTMENT under the special supervision of the Editor, in which a comprehensive view will be given of missionary operations throughout the world.

UNPRECEDENTED PREMIUM ATTRACTIONS.

The Engravings, given to EVERY SUBSCRIBER, are of greater intrinsic value than any premium offer ever before made in this country. "The Death of Nelson" and the "Meeting of Wellington and Blucher"—Companion Pictures—by Maclise, the great Historical Painter, are furnished by the Art Union of London, England, only, at ONE GUINEA EACH. They are both placed within the reach of every subscriber to THE PRESBYTERIAN, who either remits \$2, or joins a club at reduced rates, before the 1st of January next. THE PREMIUM PICTURES ARE 18 BY 40 INCHES EACH. Both are magnificent representations of GREAT HISTORICAL SCENES; and the fac-similes, in the hands of Agents, convey but a very faint idea of their great beauty. They are certainly calculated to adorn the best homes in the land.

An Agent wanted in every congregation. Liberal inducements. Send for Premium List at once. Agents will find a most attractive list of articles and books offered as premiums. With such a paper and with the really extraordinary offer to EVERY SUBSCRIBER—new or old—live agents can't miss taking large numbers of names. BALANCE OF PRESENT YEAR FREE TO NEW SUBSCRIBERS.

JOIN CLUB FORMING IN YOUR CONGREGATION.

Clubbing Rates for 1880 will be as follows:

For 5 copies and up to 10, \$1.75 each, including Premium Engravings; for 11 copies, or more, \$1.65 each, in advance, including Premium Engravings.

No old Subscriber, in arrears, will be allowed to take advantage of our Club Rates, or Premium offer, until he pays up his indebtedness in full.
