I do not say my College is "Better than the Best," the "Leading" or most "Reliable," but I am the oldest and most experienced Business School Teacher in the Dominion, and for twenty-three years was at the head of "Musgrove's National Business College," in Ottawa, the largest Business School in Eastern Ontario. OF IMPORTANCE TO YOU.

We request all those seeking medical relief to write us confidentially and earn for themselves of what

THE GREAT MODERN REMEDY

can do for them. To heal the sick we must destroy the cause; to do this the remedy must be an Anti-Septic, and destroy the living disease germs in the blood by actually coming in contact with them. Any other method of cure is a humbug. No Electricity. "Health without Medicine," (which contains nothing but the advice to use hot water enemata) or other remedies with no anti-septic qualities will do this. "The reader should do his own thinking and careful investigating, and not let others do it for him, else they will soon profit by his ignorance."

JUST PUBLISHED,
FORMS OF SERVICE FOR SPECIAL OCCASIONS
In the Presbyterian Church.

BY REV. DUNCAN MORRISON, D.D.

OPINIONS OF THE PRESS.

The accomplished compiler of this most serviceable hand book has no intention of inducing the sturdy Presbyterians of Canada to become even modified ritualists. His purpose is to provide suggestive forms for all special occasions, so that hesitancy, inaccuracy and all that is inappropriate and unseemly may be guarded against.—*The Globe.*

It will be specially helpful to those of their number who have but recently undertaken the grave responsibilities of their sacred office. Dr. Morrison has done his work with great care, well balanced judgment, good taste and fine devotional feeling.—*The Empire.*

We have seen a number of Books of Forms—Dr. Hodge's among the rest—but there are none so likely to be useful to our young ministers as this work of Dr. Morrison's.—*Presbyterian Witness.*

The book contains twenty-three forms for almost all possible occasions of public sense and church organization. Its value and usefulness will be apparent to every one who examines it.—*London Advertiser.*

Health Without Medicine—Greatest Discovery of the Age!

Oct 8/96

WHAT DO YOU THINK OF IT?

FIRST STATEMENT.—Nothing like this was ever published before. It has therefore nothing to do with drugs, patent medicine, electricity, magnetism, dietetics, or with any other pathy whatever.

SECOND STATEMENT.—We can fill every page of this paper with the most positive and enthusiastic testimonials ever written by the pen of man, proving that such is the almost miraculous power of this new treatment, that it takes right hold —even Diabetes and Bright's Disease, Weak Circulation, with its resultant "cold feet," Incipient Consumption, Internal Inflammations, Piles, Rheumatism, Cholera Morbus, Headaches, all Blood and Skin Diseases, indicated by Pimples, Blotches or Yellow Spots, Nervous and General Debility, etc., etc.

HOME TESTIMONY:

TWO SAMPLE LETTERS MUST SUFFICE—OTHER TIME.

THE REV. COVERDALE WATSON, for the last three years Pastor of the Central Methodist Church, Bloor-street, Toronto, but now of Victoria, B.C., writes under date of Aug. 5th inst., as follows: "Dear MR. SIMPSON—Yours of the 20th July was duly received. I can only say with respect to Dr. A. WILFORD HALL'S Hygienic treatment that I regard it as a wonderful discovery, and if perseveringly used it cannot fail to be of great service. I would advise any one to get the pamphlet, begin the use of the treatment and throw medicine to the dogs. A very clever physician said to me the other day, 'Let medicine alone and get rid of the waste materials and the organs will perform their functions.' This is precisely what this treatment does."

MR. ROBERT LINN, Miller, with Messrs. McLaughlin & Moore, Bay and Esplanade-streets, Toronto, writes August 13 as follows: "To J. J. WESLEY SIMPSON—Dear Sir,—A remarkable experience prompts me to write concerning DR. HALL'S 'Health Pamphlet' purchased of you some time ago. The treatment unfolded therein, is to my mind, the greatest health discovery of the present century. It certainly has proved a great boon to me in a recent and severe attack of inflammation and hemorrhage of the kidneys, accompanied with piles of a painful character. The treatment acted like a charm in allaying the inflammation, stopping the issue of blood and causing the piles to disappear almost immediately. The rapidity with which the inflammation was arrested and healthy action restored was simply wonderful. I do not believe that any system of drug treatment in a case so critical could possibly have accomplished a cure so safely, effectively and rapidly. My treatment has also cured me of a very distressing headache, periodical in character and threatening to become obstinately chronic. The unique home treatment is simply priceless value, and should be known and practised by everybody, however slightly out of health, as it would not only eradicate the disease from the system, but prevent much sickness and suffering and save most people many times its cost every year. I never invested \$4 to better advantage."

"Yours truly,
ROBERT LINN, 168 Parliament street."

ANNUAL CONGREGATIONAL MEETINGS.

AT the annual meeting of Knox Church, Ottawa, held recently, in the report of the Session presented by Rev. Mr. Farries, the pastor, it was noticed that the financial condition of the congregation was satisfactory, the Young People's Association was prosperous, the increase in the Sunday school roll gratifying and the contributions to the Schemes of the Church larger than ever before. The Sunday school report showed an average attendance of 160. The forty-sixth report of the temporal committee showed that \$165 was received from the insurance company, as the amount of damage to the steeple in the fall by lightning. The recovering of the spire and painting had cost about \$600. The treasurer's report showed receipts from all sources, \$5,479.73. The temporal committee was elected as follows: W. Porter, J. W. Wardrope, H. Robinson, D. Masson, A. Chisholm, J. Shearer, R. Blackburn, G. Hay, A. Mutchmor, A. Blyth, S. Cherry, W. Ashe, D. L. McLean, C. R. Cunningham, J. W. Russell, M. McKinnon, G. Hay, jr., J. H. Gordon. The committee subsequently elected R. Blackburn, chairman; D. L. McLean, secretary, and W. Wardrope, treasurer.

THE annual meeting of Knox Church, Owen Sound, was held on Thursday evening week. It was opened with devotional exercises by the pastor, Rev. E. Wallace Waits, after which Mr. William Manders was appointed chairman. The secretary, Mr. T. I. Thomson, read a most satisfactory report of the financial condition of the congregation, showing substantial increase in all departments of the work. The ordinary Sabbath collections have increased to \$1,600 for the year, and the amount from pew-holdings to over \$1,500. The church debt during the past year has been reduced \$538. The Board of Managers for 1891 are the following: William Manders, J. C. Paterson, T. I. Thomson, Robert Young, John Cockburn, Thomas Vickers, William Masson, Joshua Wilson, Thomas McClelland, W. R. McColl, R. A. Breckenridge, Neil McKay. A vote of thanks was tendered to Mr. T. I. Thomson for his services as secretary-treasurer and to Mr. William Manders as chairman of the Board. Mr. J. C. Paterson, of the Merchants Bank, was appointed secretary-treasurer for the ensuing year. A vote of thanks was tendered to the Ladies' Aid and also to the choir, after which the meeting closed, and with it one of the most successful years in the history of Knox Church.

THE annual business meeting of Knox Church, Guelph, was held recently. There was a large attendance and several old members remarked that it was the best meeting of the kind they had ever attended in Knox Church. After devotional exercises, conducted by Rev. R. J. Beattie, pastor of the church, it was moved that Mr. J. I. Hobson take the chair. Reports were presented from the Session, Managers, Treasurer, Sabbath schools and Bible Class, Woman's Foreign Missionary Society, Missionary Association, Ladies' Aid Society and Young People's Society of Christian Endeavour. All these reports were of a very satisfactory nature. There are 200 families and 534 members. During the past year seventy-nine members were received and forty-eight dismissed. Seven members were removed by death. Much satisfaction was expressed over the provision made during the past year for the payment of the church debt. The whole amount is subscribed and about half the amount has already been paid and applied on the debt, thus saving the interest to the church funds. The whole sum will be paid before the end of the present year. Messrs. S. Hodgson and R. Johnson were appointed auditors. The retiring Board of Managers, with three additional members, were elected for the present year. Their names are as follows: Mayor Goldie, Chairman; Geo. Dudgeon, Treasurer; Andrew Scott, Secretary; Arch. Frew, David Little, R. A. Butchart, Robert Gordon, Thos. Anderson, H. Wetherston, James Millar, Geo. Whitelaw and Gilbert Amos, Jr. Hearty votes of thanks were given to the retiring Board of Managers, to Mr. Geo. Dudgeon, Treasurer; to Mr. and Miss Walker for musical services in the Bible Class, to Prof. Shaw for valuable work done in the Bible Class and congregation during the year, to the choir, and to Mr. Hobson for his services in the chair. The meeting was closed with singing and the benediction at 9.45 o'clock.
