

answer to several inquiries made by parties in different parts of the country, respecting the periodical "Good Words," we may state that Mr. James Patterson, Bookseller, Pictou, is prepared to undertake to supply numbers and mail to subscribers. The publisher's price is £1 per annum, exclusive of postage, the amount of which we cannot exactly state.

E. M. R.

We hope that Agents will not fail to collect forward the several sums due on the Record in their respective localities with as little delay as possible.

In consequence of the absence of the Treasurer, following sums did not appear in the Report No. As there is still a large amount of contributions due, we would request that Agents and subscribers would at once send in their subscriptions, otherwise the Committee will have to resort to other means to meet the current expenses of the Record.
