FIFTY DOLLARS
.. PER WEEK ..
Is the salary of a good ad-writer. In
some of the large stores the Advertising
Manager draws a princely salary—as high
as **TEN THOUSAND DOLLARS** per Year.
It is a proposition that pays. But a good ad-
writer, same as a poet, must be born with the
gift enabling him to write descriptions in a
forceful, convincing style, which, while being
interesting reading, sells the goods.
Nobody—no matter how talented—can take
up ad-writing without knowing the necessary
technical points. This must be learned. Ad-
vertising schools, charging as high as \$200.00
per course, are giving this instruction.
You may learn all the practical and techni-
cal points necessary to be able to write an
ad by reading the only weekly paper which
successfully teaches ad-writing.
Brains for the Retailer and Advertiser.
It is not an experiment. This paper has
stood the test over 12 years. Many an ad-
writer, who is now on the top of the ladder,
thanks this publication for his success.
It Costs You Only Five Dollars.
This is the subscription price for a year. If
you read **Brains for the Retailer and
Advertiser** you will soon learn all the techni-
cal points necessary for an ad-writer to know.

Subscription Department of Brains for
