HYMN.

TRANSLATED FROM THE FRENCH.

I would love thee, God my Father!
My Redeemer and my King!
I would love thee; for without thee,
Life is but a bitter thing.

I would love thee, full of kindness,
Thou who first show'dst love for me.
I would love thee, my protector,
I for refuge fly to thee.

I would love thee; ev'ry blessing
Flows to me from out thy throne;
I would love thee—he who loves thee
Never feels himself alone.

I would love thee Look upon me,
Ever guide me by thine eye;
I would love thee; if not nourished
By thy soul, my soul would die.

I would love thee, may thy brightness
Dazzle my rejoicing eyes!
I would love thee, may thy goodness
Waich from heaven o'er all I prize

I would love thee—thou my refuge,
While the evil days increase;
I would love thee, thou I seek for,
Thou exhaustless source of peace.

I would love thee, I have vowed it.
On thy love my heart is set.
While I love thee, I will never
The Redeemer's blood forget.

"Of Jurors."

Be it enacted by the Governor, Council, and Assembly, as follows:

1. Every petit or special jury, for the trial of civil causes, inquisitions, and issues, shall consist of nine persons, of whom seven, after at least four hours' deliberation, may return a verdict; and the petit jury for criminal trials shall consist of twelve persons, who must be unanimous in their verdict.

2. The practice of keeping a jury without meat, drink, or any other comfort, until they agree upon their verdict, is abolished.

3. There shall be returned a panel of twenty-four jurors at each short term in the country, and two panels of twenty-four jurors each, at each extended term in those counties where the term can be so extended; in Halifax the panel shall consist of thirty-six jurors.

4. Each petit and special jury shall be entitled to receive and be paid the sum of two shillings and six

pence per day, for his actual attendance as a juror at the supreme court, and also six pence per mile for every mile he shall necessarily travel from his place of residence to the court house; such actual attendance and distance to be ascertained by the oath of the juror.

6. The prothonotary in each county shall, on the last day of the sittings of the supreme court in each term, and of the sittings of such court in Halifax, and also, at the end of the first week of the sittings in those counties where the sittings can be extended, prepare and certify a list of the jurors who actually attended such court, with the number of days' attendance, and the actual travel of each juror, respectively, and the amount to which each juror is entitled, and shall deliver such list to the presiding judge, who shall certify the same; and the treasurer shall forthwith thereupon pay, out of the county funds, to each juror, the amount which such juror appears entitled to receive, upon such list.

6. To provide a fund towards the payment of jurors under this act, the following fees shall be paid by plaintiffs to the prothonotary and by him paid into the county treasury, viz.: On the issuing of writ of mesne process, except in summary and sub-summary suits, two shillings and sixpence, and on the swearing of every jury, thirty shillings; the above fees to be taxed and allowed, and included in the costs in the cause.

7. Any juror who shall not answer to his name, when called, shall forfeit his day's pay, and for each day's absence shall pay a fine of ten shillings, to be collected as follows: The judge, on the Sheriff's affidavit, that the juror was duly summoned to attend the court, shall, on the last day of the term or sittings, unless such juror shall have been previously excused, order an execution to be issued for the amount of the fines, in the name of the prothonotary, who shall have the same collected immediately, and shall pay the same into the county treasury, and the prothonotary shall have a commission of five per cent., and the sheriff ten per cent., on the amount so collected.

8. The county treasurer shall keep an account of all receipts and payments under this act; such account to be laid before the session, with his other accounts.

9. So much of chapter 154 of the revised statutes, "Of costs and fees," as relates to the fees payable to jurors in the supreme court, and also so much of the chapter heroby amended as is inconsistent with this act, are repealed.

10. Talesmen shall be entitled to receive one shilling and three pence on giving a verdict on the trial of civil causes, inquisitions, and issues; such sum to be paid by the prothonotary, out of the thirty shillings paid in by the plaintiff in the cause on which such talesmen were awarded and returned.

11. The number of special jurors to be hereafter drawn, when such juries are ordered, shall be thirty-six, and such numbers shall be reduced by striking to eighteen.

12. In all criminal trials four jurors may be peremptorily challenged on the part of the crown.

13. In case of the illness of a juror after he shall have been sworn on any civil cause, it shall be in the discretion of the presiding judge to allow the cause to proceed without him, and the verdict shall be valid provided seven of the remaining jurors shall concur therein.

14. This act shall come into operation on the first day of June next and shall continue and be in force for three years from such first day of June, and from thence to the end of the next session of the general assembly.

HOLLOWAY'S PILLS.

WHY ARE WE SICK?

IT has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are especially adapted to the relief of the WEAK, the NERVOUS, the DELICATE, and the INFIRM, of all climates, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

THESE PILLS PURIFY THE BLOOD.

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

DYSPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to those organs, however much deranged, and when all other means have failed.

GENERAL DEBILITY—ILL HEALTH.

Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses. Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

FEMALE COMPLAINTS.

No Female, young or old should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; and consequently no family should be without it.
