#### "GONE HOME."

**W**E are in receipt of a letter conveying to us the tidings of the removal by death of Mr. F. S. Harvey, whose visit to our City and sojourn with us for several months last year, will be remembered by many of the workers. While with us, he was ever ready to lend a helping hand in our work for the Master. At the time of his death (Feb. 10th), he was employed as clerk in the office of the "Middlesex County Times," published at Ealing (England). He rests in hope, and our correspondent in closing his letter says "Thank God, dear Brother, for the Bible, and such a life resulting from it."

#### SPECIAL SERVICES.

**O**N the last page we give a list of meetings to be held during the week. This work is pressing upon the hearts of many of our brethren, and earnest prayers are ascending on behalf of the young men. We cannot fully express our desires, but we do in the Master's name ask the Lord's children everywhere to remember us. We hope to have with us our Bro. George Williams, of Glasgow, whose labors for the past months in Chicago have been so much blessed, but up to going to press have not received positive promise, as our Brother is much fatigued, and is seeking needed rest at Belleville. We still trust that the way may be opened for securing a visit from him.
