Copyrighted, 1899, by  
The U. S. Playing Card Co.

Important to the dealer:

In order that dealers may carry a good sample line of Congress Playing Cards (gold edges) at a small outlay, we are now putting them up in special assortments, containing the latest and most salable designs, such as Rookwood Indian, Sitting Bull, Spinning Wheel, Delft, Good Night, Yacht, Diana, Rube, Moon Fairy, Old Mill, etc.

Assortment No. 14 contains 18 packs.

Assortment No. 15 contains 36 packs.

Assortment No. 16 contains 72 packs.

Assortment No. 17 contains 144 packs.

Free advertising matter with each assortment.

# Barnes' Ink

is the most satisfactory writing fluid manufactured to-day. We have handled it for over ten years and have never had a dozen bottles returned upon our hands. It is the blackest, most permanent, most economical, and therefore the best seller of all writing inks. Lowest quotations to the trade.

**Sorting Up Orders**

**Should be Sent Now**

Delays are dangerous.

Dealers should look through their stock now and re-order any patterns they are likely to be short of.

Later on we shall not be able to duplicate their best selling lines.

We believe this from the large number of repeat orders coming in by every mail.

Sample books of any desired grade of Wall Papers sent prepaid to the trade.
