#### At a Loss for Words.

The pleasure which I hereby attempt to express cannot be half conveyed by words. Physicians of very high character and notoriety have heretofore declared my rheumatism to be incurable. Specifics, almost numberless, have failed to cure or even alleviate the intensity of the pain, which has frequently confined me to my room for three months at a time. One week ago I was seized with an attack of acute rheumatism of the knee. In a few hours the entire knec joint became swollen to enormous proportions, and walking rendered impossible. Nothing remained for me, and I intended to resign myself as best I might to another month's coufinement to my room and had, whilst suffering untold agonies By chance Hearn ed of the wonderful curative properties of St Jacobs Oil. 1 clutched it as a straw, and in a few hours was entirely free from pain in knee, arm and shoulder. As before stated, I cannot find words to convey my praise and gratitude to the discoverer of this king of rheumatism.
