## DR. M'LANE'S CELEBRATED

# LIVER PILLS,

FOR THE CURE OF

Hepatitis or Liver Complaint, OYSPEPSIA AND SICK HEADACHE

Symptoms of a Diseased Liver.

DAIN in the right side, under the edge of the ribs, increases on pressure; someames the pain is in the left side; the paient is rarely able to lie on the left side; sometimes the pain is felt under the shoul, der blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for a rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a pain. ful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendare The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits ere low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged. AGUE AND FEVER.

DR. M'LANE'S LIVER PILLS, IN CASES of Ague and Fever, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with his disease to give them a FAIR TRIAN

### DE LA SALLE INSTITUTE Nos. 18, 20 & 22 Duke Street. TORONTO, ONT.

DIRECTED BY THE CHRISTIAN BROTHERS This thoroughly Commercial Establishment is un der the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City.

Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank-now adapted to educational purposes-the ample and well-devised play grounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" what ever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christ ian Brothers will now be better able to promote the physical, moral and intellectual .development of th students committed to their care

The system of government is mild and paternal yet firm in enforcing the observance of established discipline.

No student will be retained whose manners and morals are not satisfactory : students of all denominations are admitted.

### A MOST REMARKABLE CURE.

A MOST REMARKABLE CURE.

PRILABELPHIA, June 28th, 1867.

SETH HATCE. Baltimore. Md. — Dear Sir: Seeing your advertisement, I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1883. Immediately my physician was summoned, but he could give me no rolief. I then consulted another physician, but I scenned to grow worse. I then tried the treatment of another, but without any good effect. I again returned to my family physician; was cupped and bled soveral different times. I was generally attacked without any premonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in my sleep, and would fall wherever I would be, or whatever be occupied with, and was severely injuned several times from the falls. I was affected so much that I lost all confidence in myself. I also was affected in my business, and I consider that your Epileptic Pills cured me. In February, 1864, I commenced to use your Pills, and only had two attacks afterwards. The last one was April 5th, 1865, and they were of a less serious character. With the blessing of Providence your medicine was made the instrument by which I was cured of that distressing affliction. I think that the Pills and their good effects should be made known overywhere, that persons who are similarly affected may have the benefit of them. Any person wishing further information can obtain it by eathing at my residence, No. 238 North Third St., Philisaciphia. Pa.

### IS THERE A CURE FOR EPILEPSY:

The subjoined will answer.

GRENADA, Miss., June 30.—SETHS. HANCE.—Dear Sir:
You will find enclosed five deliars, which I sond you for
two boxes of your Epileptic Pills. I was the first person
who tried your Pills in this part of the country. My son
was budly afflicted with fits for two years. I wrote for
and received two boxes of your Pills, which he took according to directions. He has never had a fit since. It
was by my persuasion that Mr. Lyon tried your Pills,
His case was a very bad one; he had fit sin nearly all his
life. Persons have written to me from Alabatha and
Tonnessee on the subject, for the purpose of ascertaining my opinion in regard to your Pills. I have always'
recommended them, and in no instance where I have
had a chance of learing from their effect have they
failed to cure. Yours, etc.,

Grenada, Yalabusha County, Miss. The subjoined will answer.

### ANOTHER REMARKABLE 79 CURE OF EPILEPSY; OR, FALLING FITS,

BT HANCE'S EPILEPTIC PILLS.

MONTHOMERY, Texas, June 20th, 1877.

TO SETH S. HANGE:—A person in my employ had been afflicted with Fits, or Epilepsy, for thirteen years; he had these attacks at intervals of two to four weeks, and oftentimes several in quick succession, sonetimes continuing for two or three days. On several occasions they lasted until his mind appeared totally deranged, in which states he would continue for a day or two after the fits ceased. I tried soveral remedies prescribed by our resident physicians, but without success. Having seen your advertisement I concluded to try your remedy; I obtained two boxes of your Pills, gave them according to directions, and they offected a permanent cure. The person is now a stout, healthy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, ten years since. He was my principal vaccoust, and has, since that time, been exposed to the severest of weather. I have great continence in your remedy, and would like every one who has fits to give it a traff.

### STILL ANOTHER CURE.

Read the following testinomial from a respectable efficiency of Grenaca, Mississippi.

Seva S. Hance, Baltimore, Md.—Dear Sir.—I take great pleasure in relating a case of Spasns, or Fits, cured by your invaluable Pills. My brother, J. J. Ligoa, has long been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first, but as he grew older they seemed to increase. Up to the titale becommenced taking your Pills he lind them very often and quite severe, prostuating him, body and mind. His mind had suffered seriously, but now, I am happy to say, he is cured of these fits. He has enjoyed fine health for the last five months. His mind has also returned to its original brightness. All this I take great pleasure in communicating, as it may be the means of directing others to the remedy that will care tham. Jours, respectfully, etc., W. P. Ligox.
