

**Wool.**—Trade is quiet in this line, manufacturers being inclined to buy but sparingly. The range in Cape is from 14 to 16c., the latter figure for extra fine samples: B.A. scoured, 28 to 33c.; Canadian fleece, 17 to 19c.; pulled unassorted, 20 to 20½c.; Nor'-West, 11 to 14c.; Australian, none here.

### TORONTO MARKETS.

TORONTO, February 15th, 1894.

**Drugs.**—Trade is not very brisk at present, but an increased movement is soon looked for. Values in this market have undergone some fluctuations. Among the articles that have hardened in price, we note morphine, opium, cocaine, quinine, menthol and flax seed. On the other hand castor oil, glycerine and carbolic acid have shown tendencies to decrease in value.

**Fish.**—As is usual at this season of the year, the stocks carried by dealers are very full, but the Lenten trade does not appear to be as large as that of previous years. Quotations stand as follows: Salmon trout, 7c.; white fish, 7c.;

codfish, 5c.; haddock, 4c.; British Columbia salmon, 15c.; flounders, 5c.; smelt, 6c.; finnan haddock 7c. per lb. The following quotations are given per 100 count: Halifax herring \$1.75, Lake Erie herring \$2, bloaters \$1.25. Oysters are quoted at: Standard \$1.20 to 1.25 per gallon; select, \$1.75 per gal.; shell, \$4.50 per bbl.

**Flour and Meal.**—The flour market has undergone but little change; our quotations are unaltered from last week, but purchases

Either as to cost or efficiency, with one of our celebrated **ELECTRIC MOTORS.**

See the one that runs the **MONETARY TIMES'** presses and freight elevator. Not the slightest and almost noiseless.

Write and we will call and see you.

**KAY ELECTRIC WORKS, Hamilton, Ont.**

### Have

### YOU A STEAM BOILER?

If so, do you think of preserving it at a small annual cost? An outlay of about \$20 per annum on the reliable English boiler compound called "Vegetable Liquid Anti-Scale," will effectually remove and prevent incrustation in a 40 h. p. boiler, and bring you good results in saving of fuel, preservation of plates, &c. It is the best boiler compound known and no steam users can afford to be without it. Send for circulars and testimonials.
