THE assessment for the municipality of North Dufferin, amounts to \$890,000 and the rate is five mills.

SHIPMENTS of coal from Pictou, N.S. from the opening of navigation up to 28th September this year have been 218,124 tons, almost double those of last year, same time.

Four hundred pairs of woollen mittens were brought into Collingwood a few days ago by a lady of Nottawasaga township. They were the product of one season's knitting in that household, and she sold them for \$156, or nearly forty cents per pair.

THE Canada Chemical and Sulphate Works of Bolton, P. Q., of which Capt. Thompson is the Manager, are just now in full blast. Employment is given to 300 hands. The ore is smelted there and the copper run off into ingots or bars and shipped to Montreal.

THE largest lumber fleet of the present year arrived at Chicago during the past week, and the excessive offerings—upwards of 125 cargoes—together with the lack of dock or yard room for unloading vessels, has caused a temporary stagnation in trade at the docks. Sellers stubbornly refuse, says the Times, to admit that there is any "glut" in the market, however, and are adhering steadily to former asking rates for cargoes of pine lumber, shingles, etc. Shipments of lumber to interior points thence by rail continue large.
