- (a) accounting requirements;
- (b) requirements for structural separation;
- (c) rules to ensure that the monopoly accords its competitors access to and use of its public telecommunications transport networks or services on terms and conditions no less favorable than those it accords to itself or its affiliates; or
- (d) rules to ensure the timely disclosure of technical changes to public telecommunications transport networks and their interfaces.

#### **Article 1306: Transparency**

Further to Article 1802, each Party shall make publicly available its measures relating to access to and use of public telecommunications transport networks or services, including measures relating to:

- (a) tariffs and other terms and conditions of service;
- (b) specifications of technical interfaces with such networks or services;
- (c) information on bodies responsible for the preparation and adoption of standards-related measures affecting such access and use;
- (d) conditions applying to attachment of terminal or other equipment to the public telecommunications transport network; and
- (e) notification, permit, registration or licensing requirements.

#### **Article 1307: Relationship to other Chapters**

In the event of any inconsistency between a provision of this Chapter and the provision of another Chapter, the provision of this Chapter shall prevail to the extent of such inconsistency.
