

Following are Dominion government expenditures and revenues since 1939:

1939-40 1940-41 1941-42 1942-43 1943-44
Millions of Dollars (Estimated) (Budget)

1939-40	1940-41	1941-42	1942-43	1943-44
63	63	61	1,028	1,787
11	11	12	210	489
38	176	371	612	1,129
80	2	23	879	189
2	5	7	2	12
23	73	171	171	207
...	1,000	1,000
112	782	1,340	3,784	4,930
363	438	548	668	688
881	1,220	1,888	4,452	5,618
528	673	1,489	3,249	3,227
119	678	392	2,138	2,018
328	702	722	212	422
109	361	1,053

X Financial assistance in 1942-43 provided for in budget and included in war costs. In previous years assistance to the United Kingdom was provided outside the budget as it involved investment or debt redemption rather than expenditures.

Y Actual Aid Act to provide United Nations war equipment, war materials, food.

An indication of the wartime increase in receipts is given in the following tabulation of the principal specific taxes levied by the Federal Government in the fiscal years 1938-1939 and 1943-44:

1938-39 1943-44
(Millions of Dollars)

438	55
Interest, etc.	10
