

APPOINTMENT OF CHAIRMAN OF COMMITTEE—*Con.*

Pardee, F. F.—*Con.*

avowed Nationalist. Quoted the Nationalist organ on Mr. Blondin's utterances, 520-1. A man who belongs to that party is not fit to be Deputy Speaker, 522. Commends the appointment to the loyal city of Toronto, and all who have the interests of the Dominion at heart, 523.

Speaker, His Honour, the, 524.

It has been emphatically denied, the denial must be accepted unconditionally, 524.

APPOINTMENT OF UNDER SECRETARIES.

Attention called to a 'Gazette' article Hon. R. Lemieux, 3059.

Borden, Rt. Hon. R. L. (Prime Minister)—3059.

Has not seen the article, presumes the writer says what he thinks may take place, 3059. Nothing to add to former utterances *re* the Solicitor General, Sir Wilfrid, from reminiscences of the past is answering for him, 3060.

Laurier, Rt. Hon. Sir Wilfrid (Quebec)—3060.

Under consideration; sorry Mr. Borden is copying so assiduously, 3060.

Lemieux, Hon. R. (Rouville)—3059.

Calls attention to an article in the Montreal 'Gazette', asks if it is intended to appoint Under Secretaries and Solicitor General, 3059.

ASBESTOS IMPORTATIONS.

Motion for production of statistics—Hon. H. S. Beland, 1817.

Reid, Hon. J. D. (Minister of Customs)—1818.

The motion in this form would infringe the rules of the department not to disclose certain matters, 1818.

ASBESTOS STATISTICS.

Motion for statistics—Hon. H. S. Beland, 1590.

Bureau, Hon. Jacques (Three Rivers)—1591.

Can the minister suggest how the motion should be amended, 1591.

Reid, Hon. J. D. (Minister of Customs)—1519.

Not usual to give individual importations, it had better be redrafted, and stand, 1591.

ATTESTATION OF MEMBERS.

Account of Administration of the oath, 1.

BARCELONA TRAMWAY, LIGHT AND POWER COMPANY.

Bill 36 taken in committee, Mr. Macdonell, 2410.

Currie, J. A. (North Simcoe)—2411.

Rather a hardship after a Bill has been discussed in the Railway Committee to

waste time discussing it here, 2411. A holder of a share warrant is a stockholder not a voter, when a person buys stock he should know the by-laws, 2412.

Deputy Speaker, Mr.—2412.

An important amendment cannot be given unless one day's notice be given, 2412.

Macdonald, E. M. (Pictou)—2411.

Motion to change the name would come up at the third reading. Will preserve their right to anything they want here, 2411. The minister should be there to give his opinion on these matters, 2412.

Maclean, A. K. (Halifax)—2410.

Parliament should not extend or amend charters secured under the Companies Act, or from Provincial legislature, 2410. Asks if there is anything in the Bill to compel members of the Railway Committee to attend meetings of the committee, 2411.

Meighen, A. (Portage la Prairie)—2410.

Cannot get power to build railways under the Companies Act so come to Parliament for legislation, 2410. The company did set out to change its title, but the Railway Committee has not agreed, 2411. Does not feel like consenting to the Bill standing, 2412. Fees are to be paid on the total capital stock of the company, moves third reading, 2413.

Nesbitt, E. A. (North Oxford)—2411.

Wants to have the authority to vary the conditions of the share warrant in the company, not in the directors, 2411. Would like to see the Bill stand. It is rather unsatisfactory as it is, 2412. Is not this the Bill that was not to be read a third time, 2413.

Speaker, His Honour the—2413.

The Clerk of the Committee sees to the fees before it goes to the committee, 2413.

BALDWIN, MR. EUGENE.

Motion for a copy of all letters, reports or other documents, relating to the removal from office of Mr. Eugene Baldwin, late of the customs service at Coaticook, Quebec.—Mr. A. K. Maclean, 1362.

Borden, Rt. Hon. R. L. (Prime Minister)—1362

Under the circumstances this might pass, and the larger return be expedited, 1362.

Carvell, F. D. (Carleton, N.B.)—1362.

Maybe the end of the session before the return comes down. Mr. Maclean wants this at once, 1362.

Reid, Hon. J. D. (Minister of Customs)—1362.

This is included in Mr. Carvell's motion of a few days ago, 1362.
