

with redistribution, and the Bill as it now stands represents correctly what was agreed upon as being necessary.

Mr. BUREAU: What are the constituencies affected by these corrections?

Mr. DOHERTY: Nipissing, London, Quebec West, Jacques Cartier, Wright, Labelle and Hull, Portage la Prairie, Springfield, and some constituencies in Prince Edward Island.

Mr. PARDEE: This was necessary because, as I understand it, one side of the boundary of the city of London had been entirely left out and this describes it.

Mr. DOHERTY: The effect of the description was to include in London sections which it was not intended to include.

Sir WILFRID LAURIER: In regard to Nipissing, the first amendment simply strikes out the word "Kelly." Kelly should not be there?

Mr. DOHERTY: Kelly should not be there. I understand that Kelly is a township some seven townships to the south of the boundary. It was put in there by error.

On paragraph 4—Quebec West:

Mr. LACHANCE: Some explanation is necessary here. Perhaps the minister has an explanation to give.

Mr. DOHERTY: In the Act that was passed Limoilou was included in Quebec East. Limoilou includes the village of Stadacona, which was intended to be in Quebec West. For the purpose of taking Stadacona from Quebec East I beg to move:

That paragraph 4 be amended by inserting after the figure 6 the words: "(b) The description of the electoral district of Quebec East is amended by adding at the end thereof the following words: 'Exclusive of the village of Stadacona'; and further that clause (c) of the same paragraph 4 be amended by inserting in the third line, after the words 'St. Malo' the words, 'and the village of Stadacona.'"

This will have the effect of placing the village of Stadacona where it was intended to be placed, that is, in Quebec West.

Amendment agreed to.

Sir WILFRID LAURIER: For the sake of clearness I would suggest that the section be redrafted as it should read, instead of amending it in this way.

Mr. DOHERTY: I think that would be better. There is a change to be made in regard to Hull and Labelle, and it might be understood that these sections will be taken

as passed, they to be redrafted and the changes incorporated in them.

On section 5—Jacques Cartier shall not include any portion of St. Denis ward:

Sir WILFRID LAURIER: This amendment is not clear.

Mr. DOHERTY: St. Denis ward was in Jacques Cartier as it existed at the time of the passing of the Act, and it should have been included in the places that were excluded from Jacques Cartier. It was not mentioned as being excluded, though it is mentioned as forming part of a new electoral district.

Sir WILFRID LAURIER: Is it in Maisonneuve?

Mr. DOHERTY: It is described as the electoral district of St. Denis, and the Act says that that electoral district shall be composed of the whole of St. Denis ward. As the Act stands, St. Denis ward is apparently in this new riding, and also in Jacques Cartier.

Section agreed to.

Mr. PARDEE: As I understand it, the amendment with regard to Hull and Labelle is in conformity with the arrangement made yesterday by the hon. member for Wright (Mr. Devlin) with Mr. Gisborne, the law clerk.

Mr. DOHERTY: There has been no change that I know of.

Mr. PARDEE: The minister has before him the written amendment with regard to Labelle and Wright.

Mr. DOHERTY: This is sent to me as being the result of the conference.

Mr. PARDEE: Quite so.

Sir WILFRID LAURIER: Is there any change in section 6 with regard to Buckingham?

Mr. DOHERTY: Yes. In the description of the electoral district of Hull, the townships of Southeast Buckingham and North Templeton, not being named, were left in the electoral districts of Labelle and Wright respectively. It was intended that both those townships should be in Hull. That was the reason of the introduction of subsection 6 into this Bill. I understand that, as a result of the conference of yesterday, there was to be added to subsection 6 these words:

And the municipality of South Hull shall form part of the electoral district of Hull and not part of the electoral district of Wright.
