

**PRECIOUS STONES.**

We have handsome collections of Canadian precious stones, in cases of ten and twenty. These would make nice souvenirs for tourists and others who wish to take away something that is thoroughly Canadian, as all these stones are cut by ourselves from native material. They, of course will vary much in price, according to their size, perfection and scarcity. Each specimen is cut and finished and ready for mounting.

10 specimens in case, \$5 to \$25.

20 " " \$15 to \$50.

Catalogue with each case.

Sets of minerals illustrating hardness, fracture, cleavage, fusibility, etc., supplied at short notice.

Price, 75 cents each.
