### EXTRA HEATS REQUIRED For the Seven Days Autumn Meeting

Nettie Ethon, The Bison and The second summer meeting of the Windsor Fair Grounds and Driving Park Association, which opened at Windsor, Ont. Aug. 29, and came to a close Sept. 5, embraced seven racing days, during which \$26,450 was distributed in stakes and purses. R. E. Watkins headed the list of 35 owners whose horses won \$300 or over, as follows: Belmont Wilkes Prove the Winners.

The postponed Labor Day meeting the Dufferin Driving Club was given yesthe Dufferin Driving Club was given yesterday. There were fair fields of horses in the 2.30 pace and the special matinee race, but the trot had only four horses to face the starter. However, there was extra good racing, and the public fully enjoyed the afternoon's sport. The attendance was good, considering the other attractions, and the fact of the meet having to be postponed on account of weather and track conditions. One thing noticeable was the attendance of the fair sex, of which there was a goodly number. The new grand stand is about complete, and when finished will be a great improvement.

Athletic Day on Saturday.

The exhibition authorities have arranged one of the finest athletic programs in years to take place in front of the grand stand on Saturday afternoon. The star attraction will be two walking races between the two fastest pedestrians the world has ever produced, E. J. Webb of England and George Goulding of Toronto, both world's record holders. Fifteen other events are on the card and every one with a record entry. Every well known athlete in Canada will compete and some very prominent American champions are included in the list. The Foster international Marathon will start at 1 o'clock and the world's championship walking race at 3 o'clock.

The officials have been asked by the Bolico of the weapon employed.

The couple were strangers to the village, having come there only one week ago, and no person in the neighbors was at all well acquainted with them. They lived very much to themselves, but neighbors say they knew of no trouble between the two.

NEW WESTMINSTER REFUSE

DATES.

Racing at Hartford.

Wedding Parties, Footballers and Homegoers Contributed.

A wire from Ottawa last night stated that New Westminster had refused to accept the dates of the Nationals of Montreal for the Minto Cup, so P. D. Ross wired them yesterday to play Sept. 17 and 24 or forfeit the cup.

A Montreal despatch says: More trouble was threatened to-day in connection with the coming Minto Cup series, but on receipt of a definite message from Trustee Cross that New Westminster must play on Sept. 17 and 24 or forfeit the cup, Nationals went right ahead with their arrangements for the western trip. The team will leave at 10.30 to-morrow night, and a big send-off is being arranged for by the friends of the club.

Clingon, the young Shamrock defence player developed this season, is laid up with a bad knee as a result of a blow received in the match with Capitals last Saturday. He is threatened with water on the knee, and it may put him out of lacrosse for good. Shamrocks will have as guests at their match with Montreal on Saturday a number of distinguished ecclesiastics here for the Eucharistic Congress. Homegoers Contributed.

Last night at the Union Station it was made clearly manifest that the tide of exhibition traffic has turned—the out-goers far outnumbered the incomers. All trains which left last night were packed to the very doors, and most of the thru expresses had to run two sections.

At about 10 o'clock the station presented an unusually animated appearance, especially at the point where the C.P.R. for Winnipeg was drawn up. Confetti spread lavishly around gave away the secret of the excitement—two happy couples, of very different character, were on board. One was obviously a society wedding—young men in frock coats stood gracefully by the platform, hat in hand, paying discreet compliments to the pretty girl on the steps. The other wedding may be summarized by mentioning the last scene. Just as the train began to move, one of those who were seeing the couple off dashed to the window in which the bride was sitting, imparted a chaste salute thru the opening, and yelled, ecstatically, "Oh, you cutie!" The bridegroom's feelings can only be imagined, as he didn't have time to put them in words before the train had pulled out of sight.

But the real undiluted joy was tak-
