The time was taken up almost solely in committee. W. F. Nickle, Kingston, was in the chair. The majority of the members were conspicuous by their absence, less than half wishing to brave the storm. Report had it that Hon. A. G. Mackay, opposition leader, was snow-bound in North Grey.
Four government bills went thru the committee stage. They were: Bill 83, respecting the law of landlord and tenant; bill 85, respecting the support of illegitimate children; bill 91, respecting infants, having Hon. I. B. Burdock **Blood Bitters** CURES ALL Skin Diseases.

All diseases of the skin are, more or less, directly occasioned by a bad state of the blood, and it is absolutely impossible to eradicate them from the system unless you put your blood into good shape.

The following skin diseases are curable by Burdock Blood Bitters through its wonderful cleansing, purifying powers on the blood, and its renovating action on the system, viz., Salt Rheum, Tetter, Shingles, Scurf, Erysipelas, Itching and Burning Rashes, Ulcers, Sores, etc.

Miss Stella Eichel, Maitland Forks, N.S., writes: "I have been bothered with salt rheum, on my hands, for three years, and it itched so I did not know what to do. I tried everything but what to do.
