The Name Slater is the Quality
Warrant and the Sale Prices
a Powerful Magnet

Everything is out-and-out open and above board in this great \$100,000 Liquidation Sale. The real reason for the holding of it is the selling of the store lease, and the sale of Mr. Cummings' interests in the chain of Slater Shoe Stores makes the reduction of stocks—yes, the absolute clearing of them—desirable and imperative, and this very fact converts a business contingency into a great public benefit.

S. P. S.—St. Mikes In Semi-Final Tie

Score 7-7 and Another Game Is Necessary—School Took Early Lead—Then St. Mikes Came Strong and Tied the Score.

The Mulock Cup games are not decided yet, and at least two more battles will be staged before they are decided. Yesterday afternoon at Varsity Stadium Senior School (S.P.S.) and St. Mikes played a game before a large gathering of followers from each school. The game ended with the score 7-7, and both teams were unanimous in their opinion that the play-off will be decided on a date yet to be decided. The folks like boys went at it with tooth and nail and rapidly secured a lead. At the end of the first quarter the score stood 1 to 0 in favor of School, and they had increased this to 5 to 0 at half time. The third quarter was a hummer, and both teams worked like Trojans, giving and taking with a will. Both teams were forcing things in general with St. Mikes coming strong in the play-off. The game was a pretty well used up, especially Mulqueen, but lived up after St. Mikes had tied the score and held their own until time was called. Father Carr's boys were whirlwinds in that last quarter, and secured a touch and a rouse, and things looked pretty cloudy for the science boys. Mulqueen was easily the star of the game, while Miller is another Rose Craig for line plunging. Broderick played a very consistent game, while McTague and Neelan assisted him greatly. Colgan replaced O'Flaherty in the last quarter. The winner of the play-off will meet Junior School in the finals. The line-up: St. Michaels (7): Beck, McTague; half-backs, Broderick, Doyle, O'Flaherty; quarter, Canfield; scrimmage, Malone, Hogan, Donovan; inside wing, Kelly; middle wing, Neilson, Brown; outside wing, Nicholson, Harris, Ryan.

Senior School (7): Beck, Campbell; half-backs, Mulqueen, O'Connor; quarter, Crasheley; scrimmage, Holden, Mitchell; inside wing, Johnston; middle wings, Delaporte, Miller; outside wings, Bower, Fleming, Kay.

Referee: W. A. Hewitt. The score by quarters:

St. Michaels..... 0 0 0 0

Broadest Signs With Ottawa Pros.—Duford Also for Senators—Hockey News of the Capital.

OTTAWA, Nov. 21.—(Special).—"Punch" Broadest has thrown in his lot with the Ottawa Hockey Club and will be seen no more in amateur ranks. He came to terms with the local pros yesterday afternoon and will figure on the line-up this season. At the same time "Glen" Roman, who is handling a lot of the Ottawa Club's business with the players, stated that Angus Duford was almost a certainty for the locals in spite of the fact that both the Canadiens and the Toronto were after him. It is probable that Jack Fourrier will also be given an offer by the Ottawa this winter.

Both Broadest and Duford are amateur stars of considerable ability. Broadest played with the old Ottawa club and afterwards threw in his lot with the New Edinburgh when the Cliffhangers disbanded. He has had many offers to turn professional and at one time traveled with the Ottawa as a spare man, but did not take part in any game. This time he appears hooked up to stay.

Duford broke into the column of hockey stars with the Buena Vista City league team, and last season played with Frank Abbott's Stewarston team. He was considered the best forward man with that club and looks good enough for pro company at any time.

Percy LeSueur, last year's captain of the Ottawa hockey team, and held to be the best goal tender playing the game, makes a suggestion that would help along the weak Toronto clubs. Percy suggests that each of the four older clubs, the Wanderers, Quebec, Canadiens and the Wolves, give the two Toronto clubs a couple of players from their regular line-up.

"This would make Toronto stronger and the four clubs could easily obtain other men to take their places," says Percy. Why, in Ottawa, we have enough hockey material to make up a team of similar calibre without taking a single man from the Ottawa. Good hockey players are considerably scarcer in Toronto than in Ottawa, on trial or Quebec." LeSueur says that as things stand now the two Toronto clubs who have a good line-up of players and have a good goal tender, who have twice called off games with Jarvis. On the form displayed in yesterday's game Jarvis will give a good account of themselves with any claimant for the high school honors. The Jarvis line-up: Halves, Dupp, Burns, Unghart, Curran; quarter, Miles; scrimmage, Lons, Lister, Bryner, Dynamite, outside, Duncan, Asgett.

Changes in Mercantile League—Doings of the Hockey Clubs Near and Far.

Representatives of the six teams, namely, Massey-Harris, Aikhead Hardware Co., H. S. Howland Co., W. R. Brock Co., H. Johnston Co. and Nisbet & Auld, met Thursday evening last in the Empress Hotel and completed to a considerable extent the plans for the season of 1912-13 of the Mercantile Hockey League.

Two of the old stand-bys, i.e., W. R. Johnston and Nisbet & Auld, being a little weaker than usual, have decided to absent themselves for at least the forthcoming winter, and to fill the vacancies the two new teams, i.e., H. S. Howland and H. Johnston, have been accepted.

By B. Aikhead, three times honorary president of the league, and donor of the handsome trophy, now in the possession of the champion Massey-Harris team, was unanimously elected. Fred H. McLean, last season's captain and manager of the Implement boys, was elected president. Lachlan Ross is vice-president. K. P. Symington has been promoted from the position of treasurer to secretary. White H. G. Worck has been appointed treasurer. The league executive is as follows: H. G. Kerr, M. McLean, B. Darlington, H. Beade and W. J. Cole.

The last pipe was laid in the new arena yesterday and ice will be the order early next week. The ice surface will be 200 feet by 85 feet, and will be one of the best in the city. The goal posts and the netting round the ends of the rink are also in place and everything is ready for the puck-chasers. It is expected that pleasure skating will take place before next week is out, and that the hockey teams will be practicing by the first of the month.

Manager Bruce Ridpath of the Toronto pros, returned to town yesterday morning from a trip to the east. Bruce found that good hockey players are as scarce as new laid eggs and that the good ones are signed and sailed away. Bruce got his name in print by approaching the great "Olympic" Fred Taylor, and humbly asking him to put his John Henry to a Toronto contract. Mr. Taylor declined with thanks.

By the way, both Ridpath and Manager Nicholson of the Tecumseh are having a sad and anxious time this winter. Both clubs announced that they had a lot of real good amateurs ready to take the plunge, but now along come the stinson pures with the announcement that the married game doesn't look a bit good to them and they will be doing business at the old stand this year. Such is the way of the world.

The Montreal Arena Company have turned down a big offer for their land. More money in hockey.

Peterboro is talking of entering the Senior O.H.A.

The Fintland League will again be composed of eight clubs.

K. Broder of Morrisburg, Ont., has been signed as coach for the Antwerp, Mass., College hockey team.

The M.A.A. team of Montreal will play in Boston, New York and Cleveland during the Christmas holidays.

The city hall employees held a very enthusiastic hockey meeting last evening and unanimously decided to enter a team.
