Chosen—East Toronto

Irregularities.

Speculation is rife around the York
County municipal buildings these days
as to the possible aspirants for the
warden's chair. The fact that only
two of the members of the former
county council have been returned,
complicates the situation. In the or-
dinary line of succession, Archie Mc-
Callum of King Township was elected
to succeed retiring Warden Johnson,
but the fates have willed otherwise
and Archie is among the fallen. In
well-informed circles it is thought that
Reeve J. D. Evans of Etobicoke and
Reeve Pugsley of Richmond Hill will
make a strong bid for the coveted
honor. There is known to be a strong
element opposed to any member of
the retiring council being honored with
the highest gift of the council, and it
is not improbable that some member
wholly new to county municipal life
will get the office. In some quarters
Reeve George Henry of York Town-
ship is regarded as a probable choice,
while Reeve Seneca Baker of Whit-
church Township, an ex-warden, is
looked upon as a probable candidate.The county council for 1907 will be
composed as follows: From York
