

WELL KNOWN VIOLINIST

Traveled Extensively Throughout the Provinces—Interesting Statements Concerning His Experience.

STELLARTON, N.B.—James R. Murray, a well known violinist, of this place, who has traveled extensively throughout the Provinces, makes the statement: "I was running down in health and my weight fell off from 175 to 150 pounds. Prescriptions did me but little good. My trouble was called nervous dyspepsia. I resorted to Hood's Sarsaparilla and after taking five bottles I was greatly benefited. I feel as well now as ever in my life, and have increased in flesh so that I now weigh 177 pounds. I am well known in this part of the country, having followed my profession, that of a violin musician for the last 26 years. I gladly tell my friends what Hood's Sarsaparilla has done for me. Before I began taking the medicine I did not have any ambition, but now all is changed and my dyspepsia trouble perfectly cured." JAMES R. MURRAY.

"B. If you desire to take Hood's Sarsaparilla, do not be induced to buy any substitute. Be sure to get Hood's."

WEEKLY REVIEW.

The week's receipts of grain has not been quite so large as was expected, but winter wheat has been in demand. Wheat and oats formed the bulk of usual. The price of wheat was a little lower on Tuesday's session, \$1.38 being the usual price paid.
Oats opened 78c to 80c.
Peas opened 45c to 48c at 72c to 80c. At Tuesday's session extra good stock sold at 80c to 90c. Today 80c was the highest.
Very little corn offered. The price quoted, 34c to 36c, was paid about one week ago.
Almost no barley offered.
Rye sold at 32½c; the supply was light and the demand steady.
Buckwheat was active at 36c; supply light.
Beans were sold at 30c to 32c per bushel, according to quality.
Strictly new-laid eggs are still short, and prices have been higher; 22c to 24c was the ruling price. Facked sold at 15c.
Butter sold at 16c to 17c for pound rolls by the basket; cracked sold at 14c.
Honey was scarce, but the price did not change.
Chickens, geese and turkeys came in sparingly, and sold at a shade higher prices.
Beef offered freely; the price did not change any. Lamb was scarce.
Dressed hogs sold at 25c and live hogs at 24c.
Hides, skins and tallow show no change in values. There was a good, live demand.
The price of potatoes was 75c to 80c per bag, and sometimes 80c. Celery ranged from 30c to 32c per dozen. Turnips bring 20c to 25c a bag, and carrots 25c. Parsnips go out slowly at 40c to 50c a bag. Onions sold at 31c to 31½. Apples brought 31c to 31½ per bag. Supply and demand were both light.
Hay sales ranged from 55c to 75c per ton according to quality and amount offered. Quotes as follows:
