

WOMEN OF MIDDLE AGE

Need Help to Pass the Crisis Safely—
Prove that Lydia E. Pinkham's
Vegetable Compound Can
Be Relied Upon.

Urbana, Ill.—"During Change of Life,"

In addition to its annoying symptoms, I had an attack of grippe which lasted all winter and left me in a weakened condition. I felt at times that I would never be well again. I read of Lydia E. Pinkham's Vegetable Compound and what it did for women passing through the Change of Life, so I told my doctor I would try it. I soon began to gain in strength, and the annoying symptoms disappeared, and my health improved. I am now a well, strong woman, so I do all my own housework. I cannot recommend Lydia E. Pinkham's Vegetable Compound too highly to women passing through the Change of Life."—Mrs. Frank Henson, 1218 S. Orchard street, Urbana, Ill.

Women who suffer from nervousness, "heat flashes," backache, headache and "the blues" should try this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound.
