A WIT ONCE SAID:

"There are five important reasons why woman is superior to man. The first is Because. The second is Because, and the third, fourth and fifth are also—Because." Truly unanswerable reasons these, and where is the man venture-some enough to contradict them.

A WOMAN'S REASON

May be often-"just because"-and in its finality it is indisputable, like the reasons why "Hygeia" Distilled Water is the best drinking water in Canada.

We might add that "Hygeia" is best because it is distilled, because it is purer, because it is safer, because it is health-promoting and sustaining, and because it is always fresh, uniform and palatable, but then, these reasons are household knowledge by this time all over.

"HYGEIA"

Is the peer of all waters for drinking purposes, is the natural medium for health, vigor and a clear complexion, and is the water par excellence for all discriminating people.

OTTAWA, April 15 .- Dr. W. F. King,

PRAISES ZAM-BUK.

VERYBODY has heard of Sir Genille Cave-Brown-Cave, "The Cowboy Baronet"! Most people know that this gentleman, whose home is at Stretton Hall, Ashby-de-la-Zouch, England, prefers the active life of a traveller and a worker to that of a titled gentleman. Sir Genille Cave, in his cowboy role, made himself well-known in several of the States. He has also lived at different times the life of a sailor, a soldier, a gold-miner, and a contractor, so that his opinion on many subjects is exceedingly valuable. Like most men of note, Sir Genille Cave is a firm believer in Zam-Buk. He has carried it with him to all corners of the earth, and proved its value in a thousand emergencies. He has used it when in the wilds of Australia, the deserts of Egypt, the plains of India, and the mysterious

cities of China. When working as a "Cowpuncher" in the States, it was his great stand-by. Writing to a friend recently, he said of this great balm:-"I feel it is only my duty to let you know what great benefit I | bites, and have found it particularly beneficial for mosquito

have derived by keeping Zam-Buk handy, and having it in constant use. For the sprains and bruises which I have incurred in my cowboy life generally I have found it a reliable and speedy healer. Some of the best riders in the West that I know use Zam-Buk regularly with the greatest benefit. On one occasion my horse, "Bob," came down with me. He rolled over my limbs, bruising me generally, and tearing pieces of skin off my arms. By the use of Zam-Buk immediately, the wounds and bruises were cleanly and quickly healed, and the raw parts covered with new healthy skin.

"When on the plains I have used Zam-Buk for poisonous insect-

bites, and the aches and pains following malarial fever caused by

"Zam-Buk has yielded me far more remarkable results and generally proved more reliable than anything could have done in the way of mere ointments and embrocations, and I think it is without equal as a healer of skin diseases and injuries."

No clearer evidence than that above from this well-known Leicestershire baronet could be needed in order to finally establish the reputation of Zam-Buk. Never before has any "First-Aid" preparation attained the success Zam-Buk has attained with the classes and the masses all the world over. This is because never before has such a rich, pure, and unique balm been discovered.

The secret of Zam-Buk's strength lies in the refined herbal extracts which form the essential feature of the balm, and to the ingenious manner in which these herbal juices are combined with one another. Parents in the home, foremen in the workshops and factories, and athletes in the field, cannot do better than "Keep a box of Zam-Buk Always Handy."

WHAT ZAM-BUK CURES.

Zam-Buk is a positive and certain cure for cuts, burns, bruises, sprains, piles, festering sores, ulcers, scalds, blood-poisoning, eczema, scabs, varicose ulcers, salt rheum, prairie itch, ringworm, pimples, skineruptions, scalp sores, bad leg, disensed ankies, and all other skin diseases and injuries. Rubbed well into the parts affected, it cures neuralgia, rheumatism, and sciatica. All Druggists and Stores sell at 50c, box, three for 31.25, or post free from Zam-Euk Co., Toronto, for price. Refuse the cheap and harmful imitations sometimes represented to be "just as good."
