

Rivalries in High School Rugby League Arranged

HARBORD DOWNED BY OAKWOOD TEAM

Triple Tie Now in Western Senior Group of High School League.

Oakwood did the expected when they downed Harbord, 19 to 11, in their postponed High School League game at Varsity Stadium yesterday. Oakwood's victory made a triple tie in the western senior group of Oakwood, Parkdale and Harbord.

The better team won yesterday's fixture. They had the weight, and their halves had considerable on their opponents. Harbord did a lot of fumbling and tried to buck when kicking should have been resorted to.

The Oakwood kicked against a strong Harbord territory most of the time in the opening quarter, and the score was a tie 5-5, when ends were changed. A side run by Burck, followed by a touch down by Young carrying the ball, gave Oakwood their first touchdown. Shortly after this Mueller muffed a punt behind his own line which Brody secured for a Harbord touchdown.

With the wind behind them in the second period, Oakwood took the lead, and good line plunging put them within striking distance, and Burck was sent over for a touch down. In the latter stages of the period Harbord took the offensive and gained yards repeatedly. However, when within striking distance of the Oakwood line, time was called. Burck was forced to rouse, Harbord again had a touch down, and a forty-yard run by Burck enabled the same player to kick to the dead line for a single point, bringing Oakwood's score to 13. A fumble on an extended pass by Oakwood, followed by another fumble of a punt, gave Harbord possession a few yards out, and they bucked over for a touch down. Harbord's quarter score: Oakwood 19, Harbord 11.

In the last period Harbord had the better of the early play, but could not score. A fumble by a Harbord player on his own 25-yard line was recovered by Clark of Oakwood, who ran over for a touch down. Burck's good kicking, assisted by the strong wind, kept Harbord on the defensive, and a rouse resulted. Final score: Oakwood 19, Harbord 11.

The teams: Harbord (11)—Flying wings, Brody; right, Buchanan; centre, Ross; left, Fisher; quarter, Devitt; scrummers, Munro, Erwin, Sinclair; right inside, Cooper; left inside, Zuffelt; right middle, Graham; left middle, Zuffelt; right outside, Thompson; left outside, Junkin.

Oakwood (19)—Flying wings, Drummond; right, Young; centre, Mueller; left, Burck; quarter, McEvedy; scrummers, Cornell, Thomas, MacKenzie; right inside, Maxwell; left inside, Pugh; right middle, Mitchell; left middle, Heyland; right outside, Sait; left outside, Carr; scrummers, Len Smith.

Ottawa Journal: When Civil Service and Rough Riders clash next Saturday for the third time, the contest should be a hum-dinger, and if the crowd at the stadium, there is something radically wrong with the crowd, clean sport is out and play the brand of football that Civil Service and Rough Riders are capable of.

For patriotic purposes, and can't get larger crowds than attended either game. It must be said that the heavy rain, getting hard to please. And it is no different here in Ottawa than in Toronto, where the Ottawa and Hamilton football games are not getting the crowds either. It can't be said that the rain is a practical joke in these times, because they do, and are getting it elsewhere than at sporting events.

A Hamilton despatch says: The little squabble between the local intermediate O.R.F.U. teams goes merrily on, with both teams hitting above the belt. The Tech. management has termed the Tigers the "beet trust," as they claim that the Techs are carrying the heavy men and that they have so many already that the majority of them will have to decorate the bench. The Techs promise great things for the game next Saturday, and it remains to be seen just how they can do against a team that doubled the score against them last Saturday.

Coch W. Howell is searching the down for halfbacks. He is well satisfied with the work of the Tiger wing men, but he feels that Johnny McKelvey has got to have better support on the back division. McKelvey has been doing nearly all the work behind the line in the two games played and the coach feels that he is being asked to do too much. There is talk of moving Pete Burton back, although he has been making such a good showing as cover that it is thought that he would be more valuable there than as a half-back.

Hamilton Herald: Because Parkdale held Tigers to a 2 to 2 score on Saturday, both Parkdale and Caps are counting on winning over the Jungle Kings when the yellow and black crew invade Toronto. Parkdale had a weak and thoroughly disgruntled fourteen against the Bengals, and they believe that with their regulars all in line they will win the Cape brigade.

But Tigers think otherwise. Not only do they expect to win both games in Toronto, but they hope to gain bigger majorities than they did against Parkdale here. Special attention is to be paid this week to the back division. This is the weak spot. The outcoming and punting has not been satisfactory, and it has been due only to Johnny McKelvey's all-round work that end of the team has held up. The line, as at present constituted, will do nicely, thank you. The tackling is at the defence as strong as a stone-wall and the offence very strong.

Jimmy Reynolds, Ped., Dead at Port Hope

Port Hope, Oct. 30.—James Reynolds, the well-known pedestrian, died at the hospital here at 5 o'clock this morning, aged 67.

His last great walking exploit was on June 12, 1911, when he attempted to make a trip from Port Hope to Toronto and return in 25 hours. He abandoned the undertaking when a mile west of Newcastle, Ontario, on the road to Port Hope, having been seized with cramps. However, considering that he was 60 years of age, he had made good time.

Mr. Reynolds made his first walk from Port Hope to Toronto on June 1, 1908, and made the trip in a little over eighteen hours. On June 24, 1907, he started to walk from Port Hope to Toronto and return in 28 hours, but on the return trip he had only reached Newcastle when he succumbed to the heat. On this occasion he had 5 1/2 hours to walk the remaining 17 miles. In September, 1908, he made the round trip in 38 hours and 18 minutes, notwithstanding an accident to his shin at the Woodbine. On June 13, 1910, Mr. Reynolds endeavored to make the round trip in 24 hours, but when near Newcastle he had to give up.

The deceased for many years conducted a bakery shop on John street, Port Hope, and is survived by one son, Howard Reynolds of Rochester, N.Y.

THURSDAY IS DAY FOR FIRST CLASH

Parkdale and Humberdale Will Make First Attempt to Break Triple Tie.

Oakwood's 19 to 11 win over Harbord yesterday made a triple tie in the western senior group of the High School League.

Oakwood, Parkdale and Humberdale are now tied and a winner of this group must be ready for the final on Friday, Nov. 9. Parkdale and Humberdale will meet at Varsity Stadium on Thursday.

The winner will then meet Oakwood on Monday and the victor of this battle will be ready to meet Technical in the final on Nov. 9.

Malvern and Technical will play the junior semi-final at Scarborough Beach on Friday. The victor will be pitted against Parkdale, western division winners on Nov. 9 in the final.

The high school finals, which will be staged at Varsity Stadium on Nov. 9, should provide a great afternoon of rugby. A relay race, east v. west, will be staged between the games, and is a new venture.

When Parkdale tackles the Hamilton Tigers here on Saturday they will have won their strongest team to oppose them in the Capital game at the beginning of the season, it is fit and right, and will take his place on the backfield.

The Hamilton Technicians made a ten-strike when they landed a "flicker" for the quarterback position. The Tigers were after him, too.

Hamilton Spectator: Although the Technicians School Rugby team has failed to come out on the large end of the score in the Capital game, the students are by no means discouraged. Officials of the team are quietly working for a comeback. The school is now waiting for the Capital game next Saturday. The management is naturally disappointed at the loss of the season just closed, but the efforts to get heavier officials of the team are being made. The school is now waiting for the Capital game next Saturday.

Baseball Classed Below Cricket and Rugby in England

London, Oct. 30.—England is making a strenuous effort to understand and appreciate things American these days, and is making quite a success of everything except baseball. At baseball England balks, although it professes to see in the game a semblance to a schoolboy game known to the English as "rounders."

A writer in The Manchester Guardian, after having witnessed a game of baseball by Canadian soldiers, marvels most at the elaborate protective armor of the player, and describes the catcher as "the man who stands behind the batsman and catches the missed balls." Detailing the "protective armor" of the catcher the writer says:

"His head is encased in a cage of metal and leather, and a thick pad covers his face. He wears a thick pad on his chest, and a thick pad on his back. He wears a thick pad on his arms, and a thick pad on his legs. He wears a thick pad on his hands, and a thick pad on his feet. He wears a thick pad on his head, and a thick pad on his neck. He wears a thick pad on his shoulders, and a thick pad on his hips. He wears a thick pad on his knees, and a thick pad on his ankles.
