atch and looked at his just half-past 6. He satisfaction. The sight, as he peeped thru in the big tent, was a double killing. There are no better players than Barnes and Fulghum in college baseball and Doyle would not be averse to taking the youngsters along with him. The contest was also featured by some excellent catching by Gray. Fortune, left of the Red Sox, who in the five periods that he was in evidence, fanned ten and hit for a pass in the fifth would have been scored upon. An out and Fulghum's hit thru short blemished his record. He had blinding speed and a terrific curve and every one of the students succumbed once or more on strikes. Woodgate also got by the shift routine, but he was not so fortunate as his predecessor and it appeared equal for him in the ninth when Lester, left of the Red Sox, singled in succession, but a pop up and two strike-outs ended the affair.

None of the college twirlers had more than a faint idea as to the location of the plate and the first four runs scored by the Leafs resulted from mistakes. Anderson and Devine got around in the second on latters' faults and infield taps by Fortune and Matthews, while in the fifth two passes and Onslow's hit yielded two more. Anderson counted in the eighth on a fumble by Fulghum and Sanberg's single after two had gone out. Apart from the fine defensive display at bat, there was not much to be said, the batting being light and the pitching on the part of the students at the best indifferent. The day was gloomy and dark and almost too chilly for ball. The Leafs returned to Columbus tonight.

BASEBALL TORONTO 5 AUBURN - 2

FORTUNE IN RARE FORM WHIFFED COLLEGIANS

Fanned Ten and Issued One Charity Auburn Beaten 5 to 2 Despite Making a Triple Killing on the Leafs.

Auburn, Ala., March 30.—(Special).—This was a big day for the Auburn collegians, despite the fact that they were lost to the Toronto International 5 to 2. The collegians monopolized the fielding honors, springing a finely executed triple play on the Leafs in the fifth and squelching what promised to be a delectable session for the soldier boys with two runs over on a pair of walks and a hit by Onslow and Wagner on first. Anderson's drive was scooped up by Barnes, who rolled over a single for a force and Anderson was hurled out by Fulghum. Onslow in the excitement attempted to bunt and Lester got him by inches at the plate. It was a startling effort by the students and followed another almost as brilliant in the preceding chapter when the starchy infield of the Alabama pulled out a double killing. There are no better players than Barnes and Fulghum in college baseball and Doyle would not be averse to taking the youngsters along with him. The contest was also featured by some excellent catching by Gray. ROVING CAMBRIDGE WINS ENGLISH CLASSIC

CAMBRIDGE BEAT OXFORD A LENGTH

After Losing Toss and Trail-ing for Three Miles of the Race.

London, March 30.—Cambridge won the annual boat race with Oxford today over the course of about four miles and a quarter, of the Thames, from Putney to Mortlake. At the end of the first mile Cambridge was in the lead by a length and a quarter. In the next mile, however, Oxford moved their nose up this handicap and at the two-mile mark was leading by one and a half lengths. Cambridge overtook her opponent at the end of the third mile of the race had been completed. At the end of four miles Cambridge had taken the lead by a quarter of a length. Cambridge went over the finish line a length in the lead. The official time of the winner was 14 minutes and 44 seconds. The weather for the race was ideal, the afternoon being a bright and clear day and the water smooth, fanned only by a gentle southwesterly wind. The breeze for the first three miles of the race was sufficient to give a slight advantage to the first three of the race but the crew owning the Surrey side, Oxford won the toss and chose the Surrey position. An enormous crowd witnessed the event. The Prince of Wales, the Duke of York, and Prince Henry were on the banks of the river. F. B. Lothery, who rowed No. 2 on last year's Harvard Varsity eight and in the Oxford crew, collapsed at the finish. H. O. Boret, the Cambridge bow, and D. I. Coates, No. 3, were the only crew members who were not on the bank. Cambridge has now won the race 33 times as compared with Oxford's 18. There was one dead heat in 1877. Today's victory was the third in a row for the light blues. Prior to that Oxford had won five times hand-running. The best time was made by Oxford in 1911 when they won in 13 minutes and 29 seconds in 15 minutes and 29 seconds.

When the Referee and a Player Disagreed Over Penalty Kick

The well-known soccer correspondent, writing from London, has reported that Manchester Athletic News, theory explains the penalty kick at Southend, up the corner between the Uniteds and Tottenham Hotspur, in which the referee ordered Whaley, who took the kick, to stand away while he placed the ball on the spot. If the referee in the local press were correct, the referee would be in a predicament. It was obvious from my seat in the stand—and others saw the incident as it did—that Whaley's intention was to take the ball off the spot marked and nearer the goal. Twice the referee moved it to the spot. Whaley's intention was to attempt to place it forward. The official was quite justified in the action he took. Whaley had no right to place the ball with the seams detrimental to the kicker.

CLASSICS RETAIN MEMORIAL CUP. The Victoria Athletic Club's hockey team and Classics met at the arena yesterday afternoon in the annual game for the Memorial Cup, and after a spirited contest Classics emerged top, the score being 3 to 2. The defeat came as a surprise to the fast Victoria aggression, who have defeated in a similar manner all their previous opponents during the season just closed, and played a close game at the arena. The Classics were not represented actively in hockey this winter, but the team Eddie Patrick trotted on the ice yesterday afternoon in the net, and represented the Classics colors and Cawell was just about the best man on the ice. For Victoria, Robertson in the nets made many wonderful stops, while Pisher and Goldsmith played sparkling hockey at all times. Classics have held the cup since it was originally presented two years ago, and the enthusiasm manifested by very some of the celebrities that sported the Classics colors well for the culture of sportsmen housed by the hustling east end club.
