

RESOLUTIONS

PASSED AT THE TENTH ANNUAL MEETING OF THE TORONTO
EYE AND EAR INFIRMARY, HELD AT THE INFIRMARY,
ON FRIDAY, MAY THE 10TH, 1878, AT 4 P.M.

Mr. A. T. McCord occupied the chair.

The report of the Directors was read by Mr. A. T. McCord, and that of the Surgeons by Dr. Rosebrugh.

Moved by Rev. Dr. Topp, seconded by Mr. W. S. Lee.

"That the report just read be adopted, and that it be printed for circulation, with the list of the subscribers, and a list of the intern patients maintained in the Institution during the year ending September 30th, 1877," and "That the following Officers and Directors be appointed for the ensuing year—viz.: Messrs. A. T. McCord, President; A. Dredge, Vice-President; Thomas C. Thomson, Secretary and Treasurer; and Messrs. W. Elliott, Robt. Wilkes, ex-M.P., E. J. Palmer, W. J. Macdonell, J. H. Mason, Samuel Platt, G. M. Evans, and John Brown, Directors." Carried.

Moved by Mr. Robert Wilkes, seconded by Mr. W. J. Macdonell.

"That in making a grant of \$10,000 for the purpose of establishing an Ophthalmic Institution in connection with the Toronto General Hospital, instead of making a small grant in aid of the building fund of the Toronto Eye and Ear Infirmary, in accordance with numerous signed petitions from a large number of the municipalities of the Province, it is the opinion of this meeting that the Ontario Government have been misinformed and have not consulted the best interests of the patients by ignoring an Institution which, during an existence of more than ten years, has extended its benefits to thousands of the poor from all parts of the Province; and which, in addition to relieving much physical suffering, has saved hundreds from blindness and deafness who otherwise would have been subjects for public or private charity." Carried.
