FOURTH CLASS.

Boys only.—Preparing to be School Teachers ; Reading Fourth Book ; Studying Arithmetic, Geography, English Grammar, English and Canadian History, &c.; and learning Collects, Church Catechism, Bible, &c.

1. *David Minominee*—age, 21 ; height, 5ft. 6in. ; Ojibway, from Parry Island, 250 miles distant ; Captain of the School. Not a fast learner but very studious ; conduct excellent ; has been supported for several years partly by St. Paul's Sunday School, Uxbridge, and partly by All Saints' Sunday School, Collingwood ; is now in his last year and will try for Teachers' Examination next July. Indian name, Shahwunahsuhwa (Thunder in the South).

2. *John A. Maggrah*—age, 19 ; height, 5ft. 7½in. ; Ottawa half-breed, from Sucker Creek, Manitoulin Island, 150 miles distant ; acts as Steward, gives out the stores, &c. ; very reliable ; conduct excellent. A very steady worker and very anxious to improve himself ; supported by a kind friend who signs himself "Evangelical Churchman ;" is now in his last year, and will try for Teachers' Examination next July ; hopes to be a missionary. Indian name, Keche Ojibway (Big Ojibway).

3. *Albert Sahquij*—age, 16 ; height, 5ft. 4in. ; Ojibway, from Walpole Island, 340 miles distant ; East Dormitory Monitor. Very studious ; good at Mathematics ; conduct excellent ; supported by the Sunday School at Yarmouth, N.S. ; Sunday School takes great interest in him ; studying to be a teacher. Indian name, Zhagonabe (Bending Feather).

4. *Joseph Soney*—age, 14 ; a stout, strong boy ; height, 4ft. 11in. ; very studious ; conduct excellent ; North Dormitory Monitor ; Pottawatimi, from Walpole Island, 340 miles distant ; supported partly by St. Mark's Sunday School, Parkdale, and partly by St. Paul's Sunday School, Port Dover ; studying to be a teacher. Indian name, Kechemahmaungahkogun (Very Big Bones). This is a decided misnomer, as he is very fat-fleshed and well favored.

5. *Thomas Johnson*—age, 18 ; height, 5ft. 10in. ; Ojibway, from Walpole Island, 340 miles distant. Very studious ; draws very nicely ; conduct excellent ; has been learning bootmaking for some time and become quite proficient, able to turn out a good pair of boots without any assistance. Was taken ill with a serious attack which the Doctor feared to be aneurism of the aorta, last April, and sent home by first boat, his father coming to fetch him ; is now much better and hopes to come back in Spring, but not to follow his trade as it is not thought safe. He will probably study to be a school teacher ; was supported by the Chapter House Sunday School, London, Ont. Indian name, Kazheyaushe (Fast Sailor).

6. *Thomas Jackson*—age, 17 ; height, 5ft. 6in. ; Ojibway, from Sarnia, 300 miles distant. Fairly studious ; clever at drawing ; Began learning water colors ; conduct very good ; learned the carpenter trade and made very fair progress, but was in poor health during his last year ; left a month before completion of his five years owing to poor state of health ; was supported by St. John's Missionary Association, St. John, N.B. ; his supporters took great interest in him. Indian name, Ashquagezhik (End of the Sky).

7. *Edward Beesaw*—age, 15 ; height, 4ft. 11in. ; Ojibway half-breed ; partly French ; home at Serpent River, near Spanish River, North of Lake Huron, 100 miles distant. Three of his sisters have been at the Wawanosh, and one brother is still at the Shingwauk ; got on fairly well at school, but failed to apply himself sufficiently to his work ; was also a ready, obliging boy, but fond of mischief ; stayed six years at the Shingwauk, and left last Summer ; is now farming with his father ; was supported, but not very regularly, by Trinity and St. Peter's Sunday Schools, Brockville. Indian name, Wasuhwudoong (Yellow Beard).
