"MORE BREAD AND BETTER BREAD"

Our Message to the Public

DeMille's Clothing and Furnishings are the very best values to be had this season. In short, our message to the public is that better apparel cannot be sold than is sold at this shop, and that part of the public which has done business with us for years appreciate this fact.

TEETH FILED BY FILIPINOS FOR BEAUTY'S SAKE

Among the curious customs of the Philippine Islands one of the most peculiar is that of "beautifying" the teeth by filing and blackening them, which prevails among the Bagobos of Mindanao. Both boys and girls of this tribe undergo the filing process before marriage, and this usually occurs while they are still very young.

The youth who is to be thus decorated sits on the ground beside the native dentist, gripping between his teeth a stick of wood to keep his mouth open. The dentist then files each tooth down to a stump or else he cuts or breaks each to a point, as preferred by the beauty-seeking patient. All that is left of the teeth is blackened by a powder secured from a certain native tree. From the April Popular Mechanics Magazine.

You Can't Brush or Wash Out Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning most, if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp and redness and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.

Easiest Way to Remove Ugly Hairy Growths

(Beauty Culture.)

Here is a method for removing hair or fuzz that is unbecomingly and quite inexpensive. Mix a thick paste with some powdered delatone and water and spread on hairy surface. After 2 or 3 minutes, rub it off, wash the skin and every trace of hair has vanished. No harm or inconvenience results from this treatment, but be careful to get genuine delatone.

PEACH AND APRICOT SEEDS USED AS FUEL

Hundreds of tons of peach and apricot seeds, which have been thrown away every season heretofore by the canning factories in the great fruit districts of California, are now sold as fuel and bring \$2.50 a ton retail. Formerly the seeds were considered too hard for fuel, but recently it was found that when heated in a stove burning hard coal they soon pop open and ignite, after which they burn with an intense glow like that of anthracite, and are practically smokeless, besides holding a fire well.—From the April Popular Mechanics Magazine.

WOMEN'S AILMENTS

Come From The Heart and Nerves

Young girls budding into womanhood who suffer with pains and headaches, and whose face is pale and blood watery, will find Milburn's Heart and Nerve Pills built them up.

Women between the ages of 40 and 50 who are nervous, subject to hot flashes, feeling of pins and needles, smothering feeling, shortness of breath, palpitation of the heart, etc., are tired over this trying time of their life by the use of this remedy.

Milburn's Heart and Nerve Pills have a wonderful effect on a woman's system, making pains and aches vanish, bringing color to the pale cheek and sparkle to the eye.

The old, worn out, tired out, languid feelings give place to strength and vitality, and life again seems like living.

Mrs. Alfred Winter, Castor, Alberta, writes: "I would like every woman who is suffering from nerves or heart trouble to know how much Milburn's Heart and Nerve Pills have helped me. For two years I kept a hired girl, and was doing all the time. After having taken four boxes of your pills I am able to do all my own work. I would especially recommend them to women between 40 and 50, as at that time they are more liable to be far from well. One of my neighbors knows how they helped me, and she is now using them."

Milburn's Heart and Nerve Pills are 50c., or three boxes for \$1.25 at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
