OTHER QUESTIONS

athering Will Confer as One and Not in Two Bodies as

Formerly By GEORGE HAMBLETON

Staff Correspondent, Canadian Press OTTAWA, Oct. 4.—Schemes for the development of overseas settlement, schemes for the development of inter-empire trade, proposals varying from the standardization of social insurance to research into the growing of cotton—it is a varied bill of fare, which awaits representatives at the Imperial Conference when they turn from the

political to economic. Under the former head, they have consider not only the part which the Dominions are to play in foreign policy, they have to consider inter-Imperial relations, the bearing of the League of Nations membership on such relations, representation of the empire at internal conferences, communication and consultation—such and similar

GOVERNOR'S POSITION

Among inter-Imperial questions may arise also the position of Gevernors-General. Members of the Irish Free state Government have announced their intention of raising the question. The point they raise is one whether or not a Governor-General is entitled to change the nature of a despatch he is transmiting to the British Government. The constitutional issue resulting from the refusal of dissolution to Premier King may likewise be brought up, but

present indications are that it is unlikely to be pressed.

ONE BODY THIS YEAR. The last conference was divided into the city and vicinity is to be presented tonight.

The report, it is forecast, will declare against the feasibility of Grand Falls, but will discuss the probability of other developments at Shogomoc, Potkick or Meductic Rapids on the Saint Lohn Pives. two distinct sections. There was the and report on the various political and

At the economic conference, three years ago, the Baldwin government's offer of increased preferences led the way. This year, there will be discussions of preferences but migration is expected to take first place in importance. Overseas settlement is a topic on which the British government itself is
