IS CONVENTION OF MUCH IMPORTANCE

Canadian Clubs' Gathering
Here—Notable Speakers
to be Heard.

Preparations to make the convention here next week of the Association of Canadian Clubs a conspicuous success are proceeding apace under the supervision of several committees of the local clubs. This convention, which will draw many outstanding people from all parts of Canada, is of marked importance. The committee hope that the membership and citizens generally will co-operate to the extent of their ability in extending hospitality to the visitors and making their stay here one that will be long remembered.

Definite word was received yesterday that Dr. C. F. Jones, vice-president of the New York Canadian Club would be one of the speakers at the convention of the Association of Canadian Clubs to be held in St. John next week. The Canadian Club members will be delighted to know what a pleasure it is in store for them. Dr. Jones was for many years secretary of the New York Club and has been one of its leading members for some time. He is an enthusiast in Canadian Club ideals and has attended very many of the Canadian Club conventions.

Among other prominent speakers who are to take part in the programme are Hon. J. B. M. Baxter, K.C., M.P.; Hon. P. J. Vennart, Premier of New Brunswick; Dr. J. Clarence Webster, of Shediac; Major C. Ney, of Winnipeg; Lieut.-Gov. W. F. Todd, Mayor Potts, Col. C. R. McCullough, J. D. McKenna, M.L.A., Sussex, and S. R.

As many of these distinguished visitors will be seeing St. John for the first time, the duty and privilege of extending a very cordial welcome are impressed upon the citizens. A special request is made that flags be flown and a general display of bunting made during the days of the convention, Tuesday, Wednesday and Thursday of next week.

At a meeting of the St. John Men's Canadian Club executive yesterday afternoon some routine matters were arranged in connection with the carrying out of the convention programme.

In The Story of a Clown Who Rose to be Brigadier-General in the British Army During the Great War.

"The Side Show of Life"

SINCE 1906 PEOPLE HAVE TALKED ABOUT "The Beloved Vagabond," making it the most famous book Locke ever wrote. Now they will talk about "The Mountebank" with no less enthusiasm, for it is the story of a man who is probably the most "beloved" of all the wonderful characters Locke has immortalized—a man born in a circus tent; who had lived a fun-maker's life until the great war came, who was a private at its beginning, a brigadier-general at its end, who could then have married into the English aristocracy, but chose to honor, until fate released him, the ties that bound him to a woman who had shared his ups and downs of fortune. Only Locke could make such a man stand out as a worthy successor of the Beloved Vagabond—a man you will love. And Locke has done it.
