**LIEGE**

By William Watson  
London, Aug. 18—The Chronicle Tuesday published the following poem, entitled "Liege" by William Watson:

Betwixt the foe and France was she,  
France the immortal, France the free,  
The foe like one vast living sea  
Drew nigh.

He dreamed that none his tide would stay  
But when he bade her to make way  
She through her knees one son and six daughters.

No tremor and no fear she showed  
She held the pass, she barred the road  
While death's unslipping feet beatrose  
The ground.

So long as deeds of noblest worth  
Are sung mid joy and tears and mirth  
Her glory shall to the ends of  
Earth resound.

By a world that yearned to aid  
Lonely she stood but undismayed;

**What Thin Folks Should Do To Gain Weight**

**PHYSICIAN'S ADVICE FOR THIN, UNDEVELOPED MEN AND WOMEN**

Thousands of people suffer from excessive thinness, weak nerves and feeble stomachs who, having tried advertised flesh-makers, food-fats, physical culture stunts and rub-on creams, resign themselves in life-long skinniness and think nothing will make them fat. Yet their case is not hopeless. A recently discovered regenerative force makes fat grow after years of thinness, and is also unequalled for repairing the waste of sickness or faulty digestion and for strengthening the nerves. This remarkable discovery is called Sargol. Six strengthening, fat-producing elements of acknowledged merit have been combined in this perfect preparation, which is used by prominent people everywhere. It is absolutely harmless, inexpensive and efficient.

A month's systematic use of Sargol should produce flesh and strength by correcting faults of digestion and by supplying highly concentrated fats to the blood. Increased nourishment is obtained from the food eaten, and the additional facts that thin people need are provided. Leading druggists supply Sargol and there is a large demand for it. While this new preparation has given splendid results as a nerve-tonic and vitality-giver, it should not be used by nervous people unless they wish to gain at least ten pounds of flesh.

**London's Beauty Writers**

Weekly Selections from Noted Beauty Experts Writing for the English Press. Simple and Effective Methods.

By OLGA AXEDEL, Special Correspondent, London, Eng.

Each week in this department I will endeavor, by careful clipping from the London papers, to keep my Colonial readers informed on the latest and best advice of the London beauty experts. Owing to the persistent demand most London newspapers and periodicals now devote much space to the serious consideration of beauty culture. Many of them now enhance or restore beauty of face and figure. I append herewith a few clippings from the English publications. Any of the ingredients mentioned could be obtained from Canadian chemists or druggists, so I am told. Look out for more hints next week. I shall endeavor to keep right up to date.

**What All Women Hate.**—lately harmless and may be applied directly or through a shily nose and a rectly with the finger tips to the eyelash curl or gray complexion. Few know that there is an instantaneous remedy for the hair, one that is absolutely harmless. The first thing necessary to restore a thin and brittle hair is to get rid of the dandruff and the next step is to stimulate the hair roots. Your druggist can tell you the best way to do this. Apply this with the finger tips to the face instantly causes the greasiness to disappear and the hair grows naturally, velvety, youthful bloom any woman who has lost her hair should use this preparation, and no powder is required, even under the most trying conditions, indoors or out. To prepare face, neck and arms for the hair should be well brushed night and can, compare with this simple home-made remedy to the scalp.

**Curling The Hair To Stay.**—From as far back as the time of ancient Athens, hairdressers have tried to find who suffer from unmanageable growth of hair some high quality of hair oil. It is a good idea to make up your mind to get rid of the curl. While unsuccessful in this, we now have a better way to make up your mind to get rid of the curl. While unsuccessful in this, we now have a better way to make up your mind to get rid of the curl. While unsuccessful in this, we now have a better way to make up your mind to get rid of the curl.

**86 Pages of Personal Advice Free to Any Man**

MY DEAR READER:

In the handsomely printed little book or private pocket compendium for men (containing 8,000 words and 40 half-tone proto-reproductions), which I publish and gladly forward by mail, free, sealed to any man anywhere in the world who sends me the coupon below, I have included certain parts that contain some very important advice or suggestions of a strictly private nature which, I believe, cannot be found in any of the Private Hygienic books for men that are now being advertised all over the country. It will thus be seen I have endeavored, through the medium of my private Hygienic books, to do for men what I have done for women. I have done for men what I have done for women. I have done for men what I have done for women.

**WOMAN CRIED**

**Suffered Everything Until Restored to Health by Lydia E. Pinkham's Vegetable Compound.**

Florence, So. Dakota.—"I used to be very sick every month with bearing down pains and backache, and had a headache a good deal of the time and very little appetite. The pains were so bad that I used to sit right down on the floor and cry, because I could not do any work at those times. An old woman advised me to try Lydia E. Pinkham's Vegetable Compound and I got a bottle. I felt better the next month so I took three more bottles of it and got well so I could work all the time. I hope every woman who suffers like I did will try Lydia E. Pinkham's Vegetable Compound."

Why will women continue to suffer day in and day out or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
