The drawingroom was decorated with yellow chrysanthemums, the diningroom with pink chrysanthemums and sunflowers. Mrs. Long wore a dainty gown of yellow silk. Mrs. G. E. Bell Logan and Mrs. Fred Long presided at the tea-table. Others who assisted were Miss Grace Cooper, Lucy Coster, Helen Bigelow, Maida Baskin, Elizabeth Long and Mrs. Charles Bruce.

T. McA. STEWART AND MISS PITFIELD WED

Marriage in Montreal Today; Away on Trip to the Old Country

A wedding of much interest to a large number of St. John friends in social circles in particular, was solemnized at noon today in St. George's church, Montreal, when Thomas McArthur Stewart was united in marriage to Miss Florence B. Pitfield, daughter of W. C. Pitfield, formerly a well known business man in this city. There were few invitations to the wedding, owing to a recent death in the groom's family.

After the ceremony, luncheon was served, and later Mr. and Mrs. Stewart sailed for Quebec, where they will take steamer this evening for a continental trip. They were handsomely remembered by a large circle of friends, with whom both are deservedly popular. Mr. Stewart is manager of the Montreal interests of P. McArthur & Sons.

DETECTIVE KILLEN HOME WITH PHILLIPS

Detective F. P. Killen returned on the Boston train this morning, having in custody Herman Phillips, arrested in Marlboro, Mass., last month, and against whom charges will be preferred here. He is twenty-four years old and a native of Norway. He will be arraigned this afternoon in the police court.

MARRIED IN ST. JOHN

(Chatham Gazette).

Edward Flam who touched the heart of one fair maiden lately seeking balm in a breach of promise suit, has fallen at length a victim to one of Cupid's darts, for on Monday he went away, without his relatives knowing, to St. John, taking with him Miss Gertrude Rubinstein, a newcomer to the land of Canada, but a pretty maiden who seems to have developed very advanced American ideas in the three months since she came from across the water. They got married that night by the rabbi and the first intelligence that his friends in Chatham had was a telegram stating he was married, and they were much surprised as he had given no one an inkling as to how his affections lay. Mr. and Mrs. Flam returned yesterday afternoon from St. John.

THE POLICE COURT

Michael Walsh and Walter Walsh, two brothers, were arraigned in the police court this morning on the charge of fighting. Both pleaded not guilty. The arrests arose out of the arrest of James Marshall, who was before the court yesterday morning on the charge of fighting in Union street, west end. On the strength of the evidence the Walshes were taken into custody last night. Michael Walsh's face was cut and bruised and he said to the court that he received his injuries in a fall. Marshall said that he could not identify either of the two. He thought, however, that Walter Walsh was the one that had struck him in the face, but would not swear it was he.

Sergeant Finley told of seeing Marshall and Michael Walsh talking together in Union street on Tuesday afternoon. He later saw Marshall with his face covered with blood. He did not see either of the Walshes at that time. The sergeant was asked to have the case adjourned to secure witnesses, and the matter was allowed to stand over until tomorrow afternoon at two o'clock. All three were remanded.

One prisoner charged with drunkenness was sent for three months to the Municipal Home.

PROPERTY TO BE BOUGHT BY CITY

Lot and House Next to No. 1 Fire Station For \$5,000

SEWER WORK STOPPED

Underground Channel Placed in Union Street 40 Years Ago Found Good for 20 More—Carleton Arbitration

At a meeting of the common council held this morning, with Mayor Frink, Commissioners Agar, Schofield, McLellan and Wigmore present, the commissioner of public safety presented a motion recommending that he be authorized to install the Dunster electric lighting in the city market. The present cost of gas lighting there amounts to some \$900 a year, he said and with electric light there would be a saving of \$300 a year, while the cost of installing the new system would be saved in the first year. The motion was carried. Commissioner McLellan also recommended that the city purchase the Devoe lot in Charlotte street, which is adjacent to No. 1 Fire Station, for \$5,000, upon the title being satisfactory to the recorder. The present occupants and owners to remain until May 1, unless the city determine to build there, in which case, the tenants will have one day time to notice from the city. After some discussion in which Commissioner McLellan said that a more room was required and that the purchase of the lot would consolidate the property, in course of time enhancing the value, the motion was adopted. Commissioner Schofield moved that the council approve of the site in Bentley street chosen for the sewer siphon, owing to the difficulty of providing funds, he did not approve of any further construction until such time as it is absolutely necessary; also that the school trustees be authorized to purchase the vacant lot in Bentley street, in order to enhance the value, the motion was adopted. Commissioner Wigmore presented a motion in connection with the opening of the sewer in Union street. A report had been made that a new sewer was required but in the opinion of the city engineer the sewer was good for many years yet, therefore the commissioner recommended that the present contract be executed and a new contract be granted to Fred Nice, the contractor, after he was paid for the work done in the sewer. The motion was carried. The commissioner said that the sewer had been in there forty years and was still in excellent condition, and good for twenty years more.

On motion of the mayor it was ordered that the chairman of finance provide the necessary funds to pay the appraisers in connection with the Slesch and Quinlan properties. The meeting then adjourned.

The awards of the appraisers were presented by the recorder to the leasee of Slesch, Quinlan & Company, and J. J. Gordon, \$8,880; Slesch, Quinlan & Company, \$4,898.

On motion of Alderman Schofield it was resolved that the city accept the awards of the appraisers and elect not to renew the lease, and deposit on the parties entitled thereto on the proceedings being carried out to the satisfaction of the recorder.

MANY HOUSES BUILT BUT NOT ENOUGH

Sydney Figures Are of Interest; \$600,000 in Buildings in Ten Months

A Sydney real estate agent said to a Record reporter that, notwithstanding the large number of buildings built this year, the houses were still scarce. Rents are high, and there seems to be no man, set of men, or company building the class of houses most in demand in Sydney, namely, small houses with modern conveniences, suitable for a workman of ordinary earning ability. The result is that there are not many short of 300 married workmen in Sydney whose wives and families are in other places, and the earnings of these men are, except the mere cost of board, lost to the city.

An analysis of the building figures for the ten months of 1912 to October 31, confirms the statement that, extensive as operations have been during the season now closing, house building at least has not been overdone.

| | |
|-------------------------------------|--------------|
| 181 dwellings, value | \$335,000.00 |
| 14 business blocks, value | 198,375.00 |
| 2 theatres, value | 24,000.00 |
| 2 schools, value | 82,000.00 |
| Total valuation | \$639,375.00 |

It was doubtless this scarcity of houses which compelled the Steel Company to start the building of twelve double houses for its workmen. There are no building statistics kept in Cape Breton county except in Sydney, but it is known that all over the mining districts, and especially at New Waterford and Sydney Mines, building operations have been extensive.

ALLIANCE TO APPOINT COMMISSION TO LOOK INTO VARIOUS MATTERS

For the purpose of investigating the social conditions of the city, the executive of the Evangelical Alliance will soon appoint a commission of five members to begin at once. The matters to be enquired into will be the sale of cigarettes to minors, the housing conditions, the showing of motion pictures and the white slave traffic, regulations concerning all of which it was charged by Rev. Mr. Lawson at the last meeting of the alliance, were being violated in this city.

POSTPONED.

The session of the International St. John River commission, which was to be held in Bangor today was postponed on account of the illness of S. J. Chapleau, one of the department of public works, one of the board of consulting engineers to the commission. Mr. Chapleau notified the board that he would be unable to attend and the postponement was made.

"Oak Hall Clothes Look Good to Me"

That's What Every Man Who Sees Them Says

Men can't help admiring the handsome patterns, the good lines, the clean cut and snappy appearance that distinguish all our fall and winter clothing.

Our window display shows these points of merit to the most casual observer, but to really appreciate the unmistakable excellence of our clothing, you must come in and see it.

You must take hold of the garments and feel the quality of the fine fabrics, you must try them on and note the perfect fit, you must examine the careful workmanship evident at every point. Then you'll realize that the most progressive ideas in clothes-making have been splendidly expressed in these **SUITS and OVERCOATS.**

And when these visible good features are supplemented, as they are in Oak Hall Clothes, with unseen inside tailoring that corrects in shape retention and long wear, then you get the last word in ready-to-wear clothing achievement.

So much for the excellence of the clothing; now let us tell you something about the prices.

When you buy from us, you buy directly from the makers and you save the middleman's profit. You, therefore, can buy this unsurpassable clothing from us for 1-4 to 1-3 less than you'd have to pay in any other store, and no other store can show you such a large variety.
