MAYOR LEAVES IT TO THE CITIZENS

His Worship Mayor Frink, this morning expressed the hope that the meeting he called for this afternoon in his office will wake people up to active preparations for the reception of the vice regal party in St. John. Just what lines the meeting would take, the mayor was unable to say as he will leave everything with the citizens themselves. His purpose was that this city should do itself justice in the manner of receiving their Royal Highnesses so that they will not be outdone by other places.

His worship pointed to a splendidly gotten up programme for the Home Reception and noted that throughout the school children played an important part in their Royal Highnesses had expressed the hope that it should be so. It is hoped that at this afternoon's meeting this matter will be taken in hand.

SACKVILLE NEWS

Sackville, N. B., Aug. 6.—Dwight Pickard, of Vancouver, B. C., is spending a few days in town as the guest of his brother, Messrs. Charles and Humphrey F. Pickard.

The gooseberry crop is reported exceptionally good. Many tons are being shipped to various parts of the maritime province.

The weather still continues very bad for hay and the farmers are feeling very much discouraged. The wet weather has proved very bad for road crops, especially those on low lands.

TEN HUNDRED HAPPY CHILDREN ENJOYING OUTING

Bishop's Picnic at Torryburn, The Biggest Day in the Year For Many of the Youngsters

Ten hundred happy smiling children from the Cathedral Sunday school boarded the train this morning for Torryburn, and were soon scampering about the broad expanse of picnic ground owned by the Bishop of St. John, enjoying themselves to their heart's content. Of this large number about seven hundred paraded from King Square to the Union Depot, their young faces radiant with anticipated pleasure, free from care and bent on making the best of the outing. The procession was one of the most lengthy of its kind seen in St. John and was headed by the City Cornet Band which rendered a choice programme of spirited marching airs as the parade wended its way along Charlotte to King to Market Square and through Dock and Mill streets to the Depot. Large numbers of people lined the route of march. The children were accompanied by Rev. Fathers D. S. O'Keefe, and E. J. Conway. His Lordship Bishop Casey drove past in the rear, in his carriage, for what will probably be the last time that he will accompany the little children of his parish, who have been so near and dear to him.

On arrival at the grounds those going on the train at 10:30 found everything in readiness for their enjoying the day. A large committee had gone out to Torryburn early in the morning and had worked hard to have the amusements and other picnic essentials in readiness when the large crowd arrived. The merry-go-round, swings, see-saws, and other entertainment features were soon centre of attraction, and the refreshment and candy stands were well patronized. The noon train carried another large crowd, while on the train at 2:30 every seat was filled. The weather during the early part of the day was all that could be desired, and should it continue so for the remainder of the afternoon the picnic will be one of the most successful in years.

MARATHONS AND WOODSTOCK COLTS THIS AFTERNOON

The Woodstock Colts and the Marathons will line up on the North End grounds this afternoon. The game will start at 3:15 o'clock. Empire Evans will handle the contest, which is expected to be a good one. Steve White will be on the mound for the home team and it is likely that McLaughlin will do the twirling for the Colts. The Greeks are due for a win, and as the Colts were decisively beaten at Fredericton yesterday, the home hoodoo that has been following them should start on their winning streak. The teams line up as follows:

Marathons	Woodstock
Catcher	Stone
McGovern	Piche
White	McLaughlin
Dutton	First Base
Fraser	Second Base
O'Brien	Third Base
O'Brien	Williams
Riley	Short Stop
Fryer	Left Field
Winter	Centre Field
White	Black
Winter	Perley

ATHLETIC MEET HERE IN CONNECTION WITH THE EXHIBITION

There is a project on foot to have a big athletic meet here in connection with the exhibition and the matter is to be dealt with at a meeting of the executive committee of the exhibition which is to take place this afternoon. The suggestion is that there be a series of track events to be held over two days. It would be held between 6:30 and 7:30 and the programme for the afternoon business to come before the afternoon meeting is the question of bands. In this connection the Executive Trustees of New York will be found among the musical attractions.

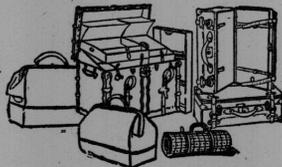

The programme for the horse show department is gradually assuming definite shape and entries, on the whole, are most gratifying, particularly in the pure bred and what might be called the fancy classes. The executive hope however, to see a warmer cooperation from local people whose horses would be eligible, both for the commercial and light classes, as it is felt that there are many animals of high standard in the city. There would be little or no time lost as the animals are only required to be on the grounds for a short time. Again, the prizes are well worth competing for.

DAVIDSON FARM SOLD TO ENGLISH CAPITALISTS

One of the largest, if not the largest deal in East St. John real estate has been put through by Messrs. Allison & Thomas in the sale of the Davidson farm of 110 acres. This farm is what is known as the Davidson homestead and is situated at "the forks." It is a large rectangular piece of ground starting near the junction of the Lower Loch Lomond Road and the Black River and extending in an easterly direction with a very large frontage on the Lower Loch Lomond road. The property is practically all cleared and is mostly used as hay land, the ground having no steep hills or valleys and is particularly suitable for subdivision purposes. The residence and fine barns of Mr. Davidson are included in the purchase, also all other buildings and out-buildings. The purchasers are English capitalists. The farm was the property of Thomas M. Davidson one of the largest and best known farmers of the East St. John district. It is rumored that the price was in the neighborhood of \$100,000.
