CHINESE AND GIRLS

ARRESTED IN RAID IN NORTH END LAUNDRY

Police Arrest Quartette and Fines Totalling \$125 Are Paid—Visit of Police in Early Hours This Morning

Sergeant Joseph Scott and Policemen Ira Perry and George Totten raided a Chinese laundry at 175 Main street, between 2 and 3 o'clock this morning and arrested Tom Baw the proprietor, Harry Fow, Ethel Leonard and Bessie Hartney. The quartette were taken to the north end police station. Baw was charged with keeping two girls in his place for immoral purposes, while the other and the two girls were charged with being inmates of the house.

The police had complaints about Baw's laundry which is almost opposite the car sheds in Main street, and on Saturday night kept a close watch on the place. About midnight the two girls entered the store and did not come out. The raid was made soon after 3 o'clock and the policemen found the two girls and the celestials there. They were arrested, and in the police court this morning all four pleaded guilty to the charge against them. The girls took things quite calmly and laughed at the evidence of Policemen Totten and Fow.

The court room was crowded with Chinese. One of them was called upon to act as interpreter. Fow could not speak very much English. Acting Magistrate Henderson heard the evidence, and fined Baw \$50 for being the proprietor of the house, and the other three \$25 or two months in jail and Baw had a consultant with his comptroller and managed to raise enough money to pay all the fines, \$25 in all.

The two girls have been in the city for some time. The Hartney girl has only one arm, having had the other arm in an accident. She claims to come from Frederiction, while the other girl says Boston is her home.

Clarence White and James Boyd were fined \$4 each for drunkenness, and Cornelius O'Leary, John Wellers, Samuel Carson and Harry Griffiths were fined \$8 each for a like offence. Acting Magistrate Henderson presided at this morning's court.

MANY PAY TAXES AND SAVE DISCOUNT

Saturday was the last day for the taking advantage of the discount on the county taxes, and County Secretary Kelley said this morning that more money had been received than in many years. The taxes in the county are lower this year than has been the case previously, and the people in general paid up in time to get the discount. Through additional sources of revenue, such as the N. B. Telephone Co., W. U. Telegraph and C. P. R., the county has been enabled to reduce the taxation considerably.

Today was a very heavy day in the chamberlain's office. At the noon hour particularly, between 12 and 2 o'clock, there was a great rush of people anxious to save their discount. The last day for the opportunity of saving the discount on the city taxes is Tuesday, July 18.

TRY TO GET BOTH TO GIVE ADDRESS HERE

The executive of the St. John Canadian Club is trying to arrange to have General Botha, Premier of the Republic of South Africa, visit the city today, en route to Halifax, to visit his brother, the Rev. George Carson. He will return later in the week, and will probably spend a day at Sussex with the family of John Sprunt, who are en route to Augusta, Me., to visit his sister, Mrs. Van Allen.

Mr. Carson's brother, William, is in Calgary, and an older brother John is also in Alberta. They have been in the west many years, and have been very successful.

Mr. Carson told the Times that crop prospects were never better in the west than they are now, and the grain is ripening earlier than usual. He looks for an immense grain crop.
