

Presbytery that a new edition be made to exclude many of the Psalms. Mr. Gilray explained that although the Presbytery had decided on the change, it was a matter for the General Assembly to decide, and that they only could act in the matter. Mr. Wilson moved, seconded by Rev. Mr. Hume, the following resolution: "That this congregation learns with regret the action taken by the Presbytery of the city of Toronto in moving for a re-arrangement of the psalter as it is now used in the Presbyterian Church in Canada, so as to leave many of the Psalms out. Be it resolved that the members of the College Street Presbyterian Church place themselves on record as opposed to any change in the *psalter* from its present form, and that the Secretary of this meeting be instructed to forward a copy of this resolution to the Toronto Presbytery." After a short discussion the matter was carried unanimously.

There being no further business the meeting closed with the Benediction.

NOTE.—No summary is made of any of the reports received in the above minutes, as each of them is printed in full on the following pages.

Report of Session.

The additions to the membership during the past year were one hundred and sixteen. Number removed by certificate—forty-six; by death—seven. Forty-five names were removed for the reason of irregularity and non-attendance. The Session desire on the one hand to do all that is possible to encourage any who have fallen off from regular attendance on the ordinances of God's House when they *are able* to do so, but do not feel it wise or even helpful to continue the names of those who have ceased to attend the worship of God without any reasonable cause. Nine names have been
