Remember This
If you are sick Hop Bitters will surely
aid Nature in making you well when all
else fails.
If you are constipated or dyspeptic, or are
suffering from any other of the numerous
diseases of the stomach or bowels, it is
your own fault if you remain ill. For Hop
Bitters are a sovereign remedy in all such
complaints.
If you are waiting away with any form
of Kidney Disease, stop tampering with
it, and turn for a cure to Hop Bitters.
If you are sick with that terrible sick-
ness Nerve-aches, you will find a "Balm
in Gilead" in the use of Hop Bitters.
If you are a frequenter, or a resident of
a malarious district, invariably suffer from
intermittent fevers, or are afflicted with
intermittent fevers--by the use of Hop Bitters.

A Perfect Beauty.
Perfect beauty is only attained by pure
blood and good health. Those acqui-
sitions give the possessor a pleasant ex-
pression, a fair clear skin and the rosy
glow of health. Burdock Blood Bitters
purify the blood and tone the entire sys-
tem to a healthy action.

**Scott's Emulsion of Pure Oil Liver
Oil with Hypophosphates. For
Anemia and Marasmus in
Children.**
Dr. W. D. Gray, Kansas City, Mo.,
says: "I have used Scott's Emulsion for
years, and for consumption and anemic
patients and children with marasmus,
have found it very reliable. Have fre-
quently given it when patients could re-
tain nothing else on the stomach."
Among the wagers made on the Presi-
dential contest was one by a citizen of
New York who, if he loses his bet, is
bound to read the entire fourth page of
the Tribune every day for six months, and
concoct in public, another reckless
betting promise to wear the "Plumed
Knight" uniform continuously for thirty
days on the failure to elect his candidate.

A western paper says that "by this
time all down easter have got their
houses leaked up and have laid in a sup-
ply of Johnson's Anodyne Liniment." It
would be a wise thing for people here-
abouts to lay in a supply of the Liniment. It is
the most valuable liniment in the world.
Horse and cattle powders if unadulter-
ated are of immense advantage, but the
large packs now sold are trash, only one
kind now known in this country are ab-
solutely pure and those are Sheridan's.
