Recommendation That Fee for Insurance Examination be Raised to \$5.00 —The Programme

The twenty-seventh annual meeting of the New Brunswick Medical Society was held last evening. Officers for the ensuing year were elected and miscellaneous business was transacted. At the close of the meeting those present accepted the invitation of Dr. S. Skinner to attend a reception at his home.

The election resulted in the choice of the following officers: President, Dr. Deacon of Milltown; first vice-president, Dr. Deacon of Milltown; first vice-president, Dr. Deacon of St. John; secretary, Dr. Day of St. John; corresponding secretary, Dr. Purdy of Moncton; treasurer, Dr. Melvin of St. John; trustees, Dr. Emery, Dr. Warning and Deacon of Milltown of St. John; trustees, Dr. Emery, Dr. Warning the found in the general delivery pigeonholes which formerly were congested with them. The Seattle newspapers, which formerly had a large circulation in Alberta, also seem affected by the law.

Mr. Ross notes that the American publications of the better sort, which still come in, continue to use the post office for the long haul, the postage evidently being less than the express rates. Even here, there is a considerable gain to the revenue. In Edmonton, he noticed three packages which had paid \$5.08 in postage, whereas under the old regulation, they would have paid only 93 cents, a gain of \$4.15 on the three.
